

Wild Rose Organic Farm

Membership Information

How long is your season?

Wild Rose Organic Farm produces from mid-June through to the Mid-October. It is also important to note that the first box selections of the season are not as full as later boxes due to the smaller variety of items we can grow in the cool, early-season temperatures. Not to fear, this will be more than made up for in the later weeks when the full mid-season harvest comes in.

Is it important to sign up early?

Yes! Spaces are limited and are valued on a first come first served basis.

Our produce is harvested fresh and delivered within hours.

How it works

We send out a Newsletter each Monday with details of your basket, farm photos, recipes, storage tips and more. Please be on the lookout for the email. Reply back no later than Tuesday evening with payment arrangements.

Unlike other csa's with are prepaid, our weekly CSA is **pay as you go**. This places more responsibility on you to check your email by Tuesday and place your order.

To stay in the program you must order each week

Vacation/ delivery holds

Please notify us at least one week in advance if you are away or unable to participate for one or 2 weeks.

Permanent Hold

Your membership is on a weekly basis until you stop. You can restart at any time but you may have to wait if we no longer have space available. Please provide 1 week notice to place your membership on hold.

• We accept cash, or bank e-transfer payments. Sorry no credit cards ~ (We just hate those bank fees).

I agree that a share entitles me to the bounty of the harvest, which also means a share of the risk, as on occasion a crop may fail due to conditions that are beyond the control of your farmer.
