

# Beverly Tones

beverlytones@att.net.

Beverly Tones creative rebirth started shortly after her 2012 move to New Mexico from Kansas. Newly retired and with lots of time she experimented with art journaling and moved on to canvas and quilting. She does daily "scribble" girls. She loves drawing faces and experimenting with color combinations to give them life. An artist friend of Beverly said, "she is an artist who thinks Way outside the box. She is open and willing to experiment with new materials and ideas. Her art shows a sense of humor and a playfulness." Beverly has won several ribbons at New Mexico state fair in book binding and calligraphy. Beverly is an active member of several guilds, Studio Art Quilt Associates, Thimbleweeds Quilters, Libros bookmaking, and Mixed Media. She can be contacted at beverlytones@att.net.
