## LYRICS:

You walk into my life  
 And change the balance of my days  
 With your eyes you say  
 I am yours and you are mine

But still something's very wrong  
 No I can't just go along  
 Though you want to stay  
 I must find a reason to delay

We're not the same  
 You play a game  
 I know  
 But if I keep my feelings strong  
 I'll find the song you sing  
 Though i can tell  
 We're worlds apart and in my heart it's clear  
 That Love has found a cloudy day  
 I'm here to say that  
 I was born to love you

Such a lovely face  
 With a warm and tender smile  
 Though I want you so  
 Something deep inside keeps saying  
 Don't trust your heart this time  
 Could my mind be playing games

Am I so betrayed  
 That my heart and mind can never be the same

We're not the same  
 You play a game  
 I know  
 But if I keep my feelings strong  
 I'll find the song you sing  
 Though i can tell  
 We're worlds apart and in my heart it's clear  
 That Love has found a cloudy day  
 I'm here to say that  
 I was born to love you
