Dear Innsbrook Community Member,

The Village of Innsbrook understands there is a great deal of information that is currently being thrown at us at an alarming speed. We want all of our community members to know, we are all in this together. The Village of Innsbrook will strive to provide accurate information in the form of an E-Newsletter, like this one, on a weekly basis until we see a flattening of the curve of COVID-19. Please have patience with us and one another during these trying times. It is our hope, we will all make it through this pandemic unscathed.

Statewide Social Distancing Order

On March 21, Governor Parsons directed the Director of the Department of Health and Senior Services to issue an order limiting social interaction statewide. This Order expires April 6, 2020 unless extended.

- Gatherings of 10 people or more prohibited: The Director's order provides that "every person in the State of Missouri shall avoid social gatherings of more than ten (10) people." This includes "any planned or spontaneous event or convening that would bring together more than ten (10) people in a single space at the same time."
- Eating and drinking at restaurants and bars to be avoided: The Director's order also states that every person in Missouri shall "avoid eating or drinking at restaurants, bars, or food courts." The use of drive-thru, pickup, or delivery is allowed.
- No visitations to nursing homes: The order further provides that people "shall not visit nursing homes, long-term care facilities, retirement homes, or assisted living homes unless to provide critical assistance."
- Schools closed: Schools shall remain closed statewide.
- Visits to grocery stores, banks, parks (for solitary exercise), gas stations still permitted with social distancing.

Warren County Commission Order No. 06-2020

On March 18, the County Commission of Warren County adopted a Commission Order declaring a State of Emergency in the County of Warren, Missouri and will remain in effect until April 17, 2020. This Order can be viewed on the Village website under the "COVID-19" tab. As residents of the Village and Warren County we all must do our part, if anyone is found violating this order, please contact the Warren County Sheriff's Department for enforcement at 636-456-7088. We must work together as a community to make sure the health and safety of everyone is preserved. Please continue to practice appropriate social distancing techniques and we urge everyone to voluntarily "Stay At Home" if at all possible.

Board of Trustees Meeting Change

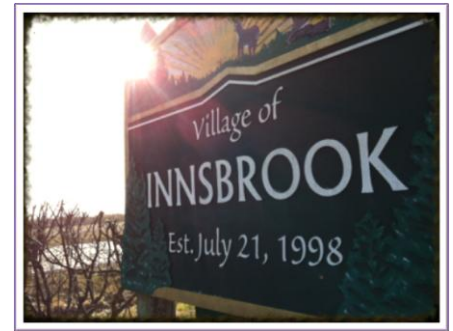

As we continue to practice social distancing, the April 14, 2020 Board of Trustees meeting will be held via Zoom meeting, a video conference website. In order for the public to attend, along with the meeting agenda, a link and password will be provided on our website 24 hours prior to the meeting. A recording of the meeting will be also be available within 24 hours after the meeting, for the public to view. Last week the Missouri Attorney General released some guidance, "Sunshine Law Guidance for Public Governmental Bodies During a Public Health Crisis or State of Emergency". Which allows meetings to be performed in this manner during a moment such as this. Please keep in mind, this will all be new territory we are exploring together. Your patience is appreciated.

Village Hall Closed

At this time Village Hall is closed to the public until April 6, 2020. At which time we will re-evaluate the situation. Notary services will not be offered during this time. We encourage residents to utilize the Village of Innsbrook website at <https://www.villageofinnsbrook.org/home.html>, and to exclusively communicate with the Village Administrator and Trustees electronically or by telephone. A COVID-19 page has been added to our website to ease the locating of important information for our community.
