Sons of Confederate Veterans

Commanders comments: Unfortunately, I have to start my comments on a sad note. The passing of one of the Sam Davis compatriots. Forest "Buzz" Holder passed away November 1, at Gulfport Memorial hospital. Buzz was a staunch supporter of the Sons of Confederate Veterans and his heritage. On behalf of myself and the Sam Davis Camp our deepest sympathy goes to the Holder family. Buzz will greatly be missed by the Sam Davis Camp.

After three year Fall Muster returned to Beauvoir. For the most part I think it was a success. There were many things that could have been done different but for the most part it went well. There will be some changes made after I submit my report to the Combined Board of Beauvoir. Hopefully some of these changes will make Fall Muster better. For all the members who helped with Fall Muster I think you and appreciate everyone for your dedication.

Our November meeting we will elect new officers who will take over in January 2009, for a two year term. It is always good to have new officers that can bring in new ideas and energy to the camp. Whether we are an officer or a member we all have a duty to and responsibility to make our camp the best it can be.
