

# Scientifically Research Based Programs

As a Title I school, SHES is required to use programs that have been researched and proven to make a profound impact on student achievement. Current curriculum includes Origo 2.0, American Reading Company's 100 Book Challenge, Lucy Calkin's Units of Study, and Wilson Foundations.

## Parents' Rights

As a parent, you have the right to:

- review the Worcester County Complaint Policy.
- review Title I documents and give input on the school/family compact, Title I Parent Involvement Plan, and the Title I budget.
- inquire about qualifications of the professionals that work with your child.
- attend workshops that will help you as a parent.

## Title I

Snow Hill Elementary receives Title 1 funding to ensure all students receive a high quality education. Title 1 federal funding provides supplemental materials of instruction, salaries for resource and coach positions, Professional Development for teachers, and opportunities for parents to be involved with their child's education.

At Snow Hill Elementary School, our Title 1 monies are responsible for the placements of Math and Literacy Instructional Coaches, and a Reading Resource teacher. Title 1 also supplies our school with the materials necessary to collaborate with parents during our Title 1 Parent Engagement events held throughout the school year.

In addition, a Parent Advisory Committee meets several times a year to guide and plan events like our Back to School Bash, our One School One Book schoolwide book club, and our College and Career Carnival.

As a Title 1 school, parents have the right to request information regarding the professional qualifications of their child's teacher, and of paraprofessionals who provide instructional services to their children.

**“Learn and grow every day.  
Be safe in work and play.  
Be kind in what you do and  
say.**

**Show respect the Eagle  
Way!”**
