

Charlevoix Youth Soccer 2018 – Coach notes and reminders

Please commit to calling each of your athletes by this Sunday August 12
Plan on having 1-2 practices sometime between August 13-20
Games begin Tuesday August 21!

Everyone on your team **MUST** play at least half of each game.

Cancellations will always be a game time decision. We play in rain and cold weather. Thunder and lightning will cancel the game. This is a decision to be made by the head referee.

There will be a pizza party for all participants after your last game on Thursday September 27.

Remember that these games are all considered friendlies. This is not the World Cup or the MLS. Our league is about developing youth players to have a passion for the game.

Medals – U6-U8 will all receive participatory medals on the last night. U10-U14 top 3 teams will receive Gold, Silver and Bronze medals. Medals will be decided on final night when the 3rd place team will play the 4th and the 1st place team will play the 2nd place team.

U6 and U8 coaches are encouraged to be on the field of play to help direct and coach players. U10 and above, coaches should remain on the sideline.

If you have unruly, negative or overly excited fans, please help us to encourage them to calm down and be positive. If that doesn't work please let a board member know. There will be a board member on site each night. Board members will be wearing shirts that identify them and will most likely be in the concession stand.

Coaches are responsible to fill out a score card for each game. They can be given to your referee or handed in to the concession stand after each game.

Coaches **MUST** complete a Risk Management application online prior to the start of the first game.

All equipment must be returned after your last game on September 27. You may drop bags off at the concession stand. A board member will be available to assist you.

Board Member and Charlevoix Varsity Coach Glenn Wachler is available on request to assist with teaching you drills for practices. Contact Glenn at 248-705-8529. Community member Todd Pelton is also available for support. Todd's number is 231-497-8999.

Thank you for donating your time to coach our youth! We are confident it will be a wonderful experience and have FUN!!
