#### **Why did you choose A/V Solutions, LLC?**

A/V Solutions, LLC came highly recommended. I liked that A/V Solutions, LLC was local, professional, and recommended by others who were very pleased with what was provided.

#### **Was A/V Solutions, LLC, responsive with phone/email contact?**

Conversation has been very engaged and if we had problems, I felt very comfortable that I could pick up the phone and speak to someone, even on-call services. We had a situation on a Sunday where we had problems and we had immediate response which we found very valuable
