Dear Christian Friends, Family and Colleagues:

Date: April 2012

I would like to take this opportunity to personally thank all of our Christian Friends, Family, and Colleagues for all of the prayers, financial support, and expressions of love that has been shown to us over the last two years. Despite the changes, the challenges, the reorganization of our affiliated ministries and the battle that Esther went through God has greatly answered our prayers.

During last years Alabama District Council the only part of the Council that we could attend was the Monday Night Worship Session. During the altar call of that service many of you gathered around my wife Esther and prayed for her because the next Tuesday Morning we were to report to the Cancer Center in Montgomery Alabama.

Esther said to me on the way home that she felt the power of God flow into her body in the lower part of her back. She said to me that she knew that something happened. Esther began the treatments and followed all of the advice that the doctor gave her. After five chemotherapies and two pep scans there was not any indications of the Cancer in her body. Since that time Esther went through more testing to see if she is still Cancer free. Approximately one month ago Esther had two tests done to see if there were cancer cells in her body of either the former breast cancer or the rare type of ovarian cancer. The tests came back with a score of zero on both counts in her body. Then the doctor had an MRI done to see if there were any foreign images in her body. Esther brought the charts home from the first two tests. When Esther received the results of the imaging exam there was more reason to rejoice because there was not any evidence of any cancer.

During the months of May –June of the year 2011 our ministry went through some parameter reorganization. The enemy made attempts to destroy us but failed. In this period of time The Lord, The Alabama District Council of The Assemblies of God, The Board of Directors of Alabama Prison Ministries Inc., The Board of Directors of Liberty Theological Seminaries International, and the Leadership Team of The Bullock Correctional Facility made it possible for us to accomplish many of the necessary goals and to reach the point of ministry that we are now involved in.

As you read this report you will find certain enclosures that will give you important information about strategic areas of our Ministries and their operations. My team and I see these areas of ministry being carried out through the following Kingdom Principles:

1. Prayer
2. Evangelism
3. Discipleship
4. Re-Entry

Each area of Ministry requires us to carry out the Kingdom Principles of The Word of God that are basic and necessary in order to carry out the Biblical Patterns that are contained in the Bible.

The following sections are divided in such a way to give you as the reader the important information concerning each section. We ask you to remember that we found it necessary to establish these areas at times to accomplish these Kingdom Principle Goals. Alabama Prison Ministries Inc. established a partnership with Liberty Theological Seminaries International located in Montgomery Alabama in order to strengthen our ability.

## SECTION I – Prayer

Prayer Meetings are scheduled at the Restoration Chapel for the Christian Body on a regular basis. The schedule is as follows:

1. Tuesday Night 5:00 P.M. – 7:00 P.M.  
7:00 P.M. – 9:00 P.M.
2. Thursday Night 5:00 P.M – 7:00 P.M.

There are special intercessory prayer meetings held at times by members of the staff and student Body. It is a great joy to see men seeking the face of God in intercessory prayer. It is also a great honor to participate with them.

## Section II – Evangelism

Each year we now have three ministries that come in to do Evangelism. Here is a list of ministries that do evangelism each year;

1. The Caring Friends – One week in either the month of November or December.
2. We Care Crusade – One week in January.
3. Vaughn Forrest Baptist Church – One day in the Gymnasium.

The efforts of these Ministries produce approximately 50 to 75 decisions per year.

## Section III – Discipleship

Discipleship is carried out by the process of Christian Education and mentoring.

The Education Report section follows;

Liberty Theological Seminaries International is the Education provider through which Certificates, Diplomas, and Degrees are awarded depending on the course of study chosen and meeting all educational requirements.

#### IV. Re-entry

In this area there are new efforts being made by the Alabama Department of Corrections to prepare men to go home. The new Re-entry program has been established and has been functioning for about two years. In the past we helped two Christian Re-entry ministries that were started by Christians. The two ministries were Broken Bread Ministries located in near Notasulga Alabama in Macon County and Shiloh Transformation Ministries located in the Birmingham area of Jefferson County.

We are very sad to announce the fact that Broken Bread Ministries no longer exists as an operational entity at the present time.

We are very glad to announce that there is a new ministry located near Notasulga Alabama in Macon County that is called Source of Hope which is connected to The House of Prayer Church. The Pastor is Rev. Arthur Robinson. We will be asking our Board of Directors to commit to an Alliance Agreement at our next Board of Directors Meeting in the month of August.

We encourage everyone to be in prayer about these efforts because there is a great need to establish a Re-entry place where men can go that is accountable to both The State of Alabama and the Church. The Source of Hope is Christian and it will have a Christian Program.

#### FINANCIAL REPORT

We have been blessed by God in many ways that are too numerous to acknowledge by themselves. Through the prayers and giving of our financial partners we have been blessed and the needs have been met for the fiscal year January – December 2010. The Lord Blessed Alabama Prison Ministries as follows:

Cash Contributions	-	\$38,912.16
Material (Non-Cash) Contributions -		\$21,105.35
Total Contributions (Income)		\$60,017.51
Estimated Assets Approximately	-	\$400,000.00

For the fiscal year January – December 2011 The Lord Blessed Alabama Prison Ministries as follows:

Cash Contributions	\$30,214.85
Material (Non-Cash Contributions	\$12,830.00
Total Contributions	\$43,045.81
Estimated Assets (We have not had time to do a new inventory but we are certain estimated amount remains very strong.)	

(Our basic cash contribution need is around \$4,000 per month. This amount is a basic operational expense and does not include any advancement. This adds up to around \$48,000.00 that we need to meet our budget.

#### VISION STATEMENT

Esther and I are very encouraged in many ways in how God has intervened and sent help. We know that He has healed Esther, brought the program back on line, and continue to bring men to the Lord.

We need more missionary volunteers to come and join our team in our efforts to carry on the ministry that God has given us.

In order to reach our goals we need 80 Churches, Businesses, and Corporations to give \$50.00 per month to reach that within the Assemblies of God. Since we like Teen Challenge have permission to reach beyond the Assemblies of God we believe God for 200 Churches, Business, Corporations, and individuals to give \$50.00 per month to reach an ultimate goal of \$10,000.00 per month.
