

**If I Didn't Have You**  
**From "Monsters, Inc."**

If I were a rich man, with a million or two  
I'd live in a penthouse, in a room with a view

And if I were handsome (No way)  
It could happen, those dreams do come true

I wouldn't have nothing if I didn't have you  
Wouldn't have nothing if I didn't have,  
Wouldn't have nothing if I didn't have,  
Wouldn't have nothing, If I didn't have you
