School is off to a fantastic start. We have some fun things planned for October. Ting has been visiting each classroom and working with the children during center time or assisting in an activity. We also have the Children's Literacy Department coming in this month.

With fall in the air, a quick reminder to make sure your child is dressed for the weather. The children will play outside, even when it is cool and wet. A change of shoes and socks or rain boots and coats are recommended.

Fall begins a very busy time of the year. We will be doing lots of fun activities leading up to the holidays. On Halloween, we will be parading to Hiram College in costume. This event is for regularly scheduled children only. For children not scheduled that day, parents are welcome to bring them to the parade in costume and STAY with their child. Please see the attached Halloween sheet for details.

Sincerely,  
Little Village ELC
