

COMMUNITY CENTER PARKING

LOCATED AT 150 CITY PARK WAY

Park on the 2nd or 3rd floor towards the park side of the structure. This will put you closest to the elevator and stairs. The Community Center is located to the left (East) side of the parking structure so you can either take the left (Southeast) staircase or if you prefer to take the elevator, that is on the right (Southwest) side and will just require that you walk a little further once out of the elevator. Take the stairs/elevator to the ground level. If taking the leftmost staircase, just proceed straight ahead. You will pass the Main Hall of the Community Center. Make a left at the front of the building and enter the front doors. If you take the elevator, you will need to make a left after exiting the elevator, walk along the arcade, make a right as you follow the arcade and pass the Main Hall of the Community Center. Make a left at the front of the building and enter the front doors.
