

Embarass River Brigade

January 31, 2019

Fellow Reenactors:

It is with much pleasure that we invite you to participate in the *First Embarass River Brigade Rendezvous*, May 17 – 19, 2019. Encampment will take place atop the hill at Mosquito Hill Nature Center located just east of New London.

Water, wood and toilet facilities will be provided in a beautiful wooded setting for a fee of \$20/camp. Nature center staff and volunteers are working on plans to provide food for sale on one or more of the days.

Campers may begin setting up on Thursday, May 16 and take down on Sunday, May 19. Mosquito Hill staff will be contacting local schools to gauge their interest in visiting the rendezvous on Friday. If so, we would be interested in featuring demonstrations of a variety of traditional skills such as, but not limited to, rope-making, fire-starting, candle-making, spinning/weaving/dyeing, hunting & trapping.

We hope you will join us and ask that you RSVP so plans may be completed.
