It is the objective of East Valley to provide your children with a wholesome

atmosphere in which to engage in healthy athletic competition. Our primary goals are to build character in our children and to instill in them a passion for sports and for the game of baseball. Due to the excitement and high emotion that comes with sports, it is important to express some guidelines regarding what we will expect from you, our guests, your children and our coaches. Please know that the league encourages cheering, excitement and exuberance, but be careful to always express this in a positive and productive manner.

Only properly attired team personnel (managers, coaches & players) are allowed in the dugouts and on the field of play before and during games.

Any manager, coach or parent who removes their team/child from the field of play during a game will be expelled from the League.

The threat of physical harm or intimidation to another individual, or destruction of League and/or facility property will result in immediate expulsion from the League.

The League will not tolerate any behavior on the playing field, stands or facility which would hinder the spirit of sportsmanship and co-operation that we encourage.

No abusive language or profanity will be permitted.
