

2020-2021 Club Info Packet

Jellys Volleyball has been a beach volleyball club for the past 14 years and an indoor volleyball program for 9 years. Our club has grown to over 12 competitive teams in just the past 9 seasons. Our number one priority as a club program will be to put Christ first in all we do. We feel competitive sports can be played in a way that glorifies the Lord. Secondly, we feel that pricing has kept a lot of good athletes away from club volleyball and we do not want that to happen. Lastly, we feel that the time commitment has also hindered some families and we are hoping that this will not be an issue with our club.

Athlete Fees for 10U-12U teams: \$1075.00 to \$1175.00 (this does not include travel)

Club Level Athlete Fees: \$1300.00 (this does not include any travel fees)

Elite Level Athlete Fees: \$1750.00 (this does not include any travel fees)**

Season: Mid-November 2020 thru April 2021 (full practice schedule will begin in January 2021)

**Elite teams will participate in AAU Nationals in June of 2021

Tournaments: All teams will compete in a minimum of 5 tournaments, all tournaments will be held in FL (AAU and USAV).

Practices: Each team will have two, 2 hour practices a week (starting in January)
Elite teams will have 3, 2 hour practices a week (starting in January)

Uniforms: Jerseys are the property of the club and will need to be returned at the end of the season; if the jerseys are not returned a \$150 fee will be owed to the club

Notes: The practice schedules and tournament schedules are tentative as of right now. Once your child has made a team your coach will notify you of your practice days and locations. The tournament schedule will, hopefully, be finalized by Mid-December.

Christ centered club; Jellys Volleyball is a Christ centered club, we will be asking each athlete and their parent/guardian to sign a code of conduct statement acknowledging Christ like behavior. We will also be praying with the girls on a regular basis, and prior to each tournament we will have an athlete led devotional.

The additional travel fees will be up to each family's discretion. Most of the tournaments will be 2 days long and hotels may be necessary. We will make suggestions as to which, if any, hotel you might want to use, but it will be up to each family to make their own arrangements for themselves and their child. All athletes must stay with their own family. As a parent/guardian you are responsible to have your child on site and on time for each tournament.

The club fee is due in two payments; once you have learned that your child has made a team the first **50% will be due by 9/7/20**. The final 50% will be due prior to the first tournament.

Mail Club Fees to:

Jellys Volleyball
