TERMS & CONDITIONS

We accept Cash, Check or Credit Card (Master Card, Visa, American Express and Discover). There is a \$30 service charge on all returned checks.

Wholesale customers - For a credit account, please contact us and fill out a credit application. Once credit is established, payment is due 30 days after date of invoice. There will be a service charge of 1.5% per month (18% annually) on past due accounts, plus any collections costs. Tagged orders will be held for a maximum of 7 days. After 7 days we reserve the right to sell the stock. If items must be held for a longer term, contact us to make arrangements. Items to be held for longer than 7 days must be paid for in full.

CLAIMS

All of our plants are guaranteed to be healthy and true-to-name upon leaving the nursery. There is no warranty as to the productiveness of the stock or for problems resulting from transplanting. Claims must be brought to our attention within 24 hours. No claims will be considered on past due accounts or to anyone except the original purchaser. We accept no responsibility for guarantees our customers (landscapers, etc.) give to their customers (homeowners, etc.).

Customers who are picking up their own plant material must supply their own tarps or truck covers to prevent drying out of plant material, and to protect from wind-burn. No claims will be considered, if nursery stock is transported without adequate protection and we reserve the right to refuse loading material into inappropriate vehicles. This includes putting B&B material into cars, vans and SUV's.

DIRECT SHIP PROGRAM

The Direct Ship Program at Delahunty Nurseries allows us to ship to you the same high-quality material you would find at our nursery location - directly from the grower/supplier. We save money because handling by our staff is eliminated, and we pass that savings on to you. Please contact us to see if your order is eligible for this program.

PERENNIALS, HERBS, ROSES, ETC.

We offer MANY varieties of perennials - too many to list here! Please stop by our nurseries, or contact us by phone or e-mail if you are looking for something in particular. Our knowledgeable, friendly staff is ready to assist!

REMEMBER...

When transporting nursery stock, be sure to tarp adequately to prevent wind-burn of plants.

Always consider site conditions when planting particular plants, example - drainage, soil types, wind, etc.
