

LITTLE ONE

Little one
Don't you worry now
Times like this
I know it seems so hard
Rest assured, little one
You're somebody's everything

If I could
I'd take away the sorrow
If I could
I'd take away the pain
Rest assured, little one
You're somebody's everything

Love, love, love
I love you just the way you are
Love, love, love
You're a shining star
Love, love, love
Brilliant & bright

Two steps forward
One step back
Negotiating hoops
Just to stay on track
Rest assured, little one
You're somebody's everything

If I could
I'd make it a do-over
If I could
There'd be another chance
But I cannot
So please remember
You're somebody's everything

Love, love, love
I love you just the way you are
Love, love, love
You're a shining star
Love, love, love
Keep reaching for the good
Love, love, love
Time will heal these wounds
Love, love, love
Rest assured, little one
Love, love, love
You're my everything
