The Reverend's Ruminations - July 2023

Greetings in the name of Christ our Savior! I pray that this finds you adjusting to, and even enjoying, the heat and longer days of mid-summer in Southern Minnesota. For some of you, those extra daylight hours mean a little more unstructured time in the daily schedule. Perhaps you like to work in the yard or garden during the coolness of the early morning and stay indoors midday when it gets hot? Maybe your duties take you poolside for a few hours in the afternoon while the kids or grandkids splash around, or you're waiting patiently for a baseball or softball practice to get over. What helps occupy your personal time? What's on your summer reading list? Perhaps the reigning international best-seller?

The Bible can be a huge challenge to read if you attempt it from cover to cover, but perhaps your summer reading goal could be to examine a few small sections that follow our Sunday morning lectionary readings. July's epistle readings will again come from one of the Apostle Paul's most well-known letters: Romans. During the last three weeks of June, we read from chapters 4–6, and July will continue with another brief selection from chapter 6 before continuing with passages from chapters 7 and 8. Along the way, Paul wrestles with some of the same deep struggles we all share: turning toward righteousness and away from the temptations of sin; separating good and evil in our thoughts and actions; and overcoming weakness through the power of the Holy Spirit so that we cannot be separated from God's love.

July's gospel readings from Matthew will begin with chapter 10's encouragement toward extravagant welcome and continue with Jesus' familiar assurance that all who are "weary and carrying heavy burdens" can yoke ourselves to him and find not only rest, but encouragement and training. The last three weeks of July will include several familiar parables from chapter 13, and Jesus' explanation of their significance for our lives and the ministry of the church.

As we continue our sermon journey through the origins of our faith in the book of Genesis, chapters 22, 24, and 25 will guide us from Isaac's early life (and near-sacrifice at the hands of faithful Abraham), through the search for a suitable wife, and to the birth of his sons Esau and Jacob. Chapters 28 and 29 will then refresh our understanding of Jacob's famous dream about a ladder reaching from earth to heaven, as well as his long service to his kinsman, Laban, in return for the hand of both Leah and Rachel in marriage. Societal and religious customs were obviously much different in the culture of those early days, but there are still many lessons to be explored from the context of our modern era.

In response to some recent issues of inappropriate comments and conversations within our own church family, I would like to invite as many of you as possible to participate in a four-part group study called *Divided We Stand: How to Love When We Disagree*. We will meet in the chapel at 7:00 pm on Wednesdays, July 5 and 12, and schedule the two remaining sessions with those in attendance. Unfortunately, we do live in divided times. The tension of disagreement can be felt at dinner tables, in board rooms, at church gatherings, and in our communities. It can be hard to know how to engage with each other when the gap between us feels like it's widening. As a church family, we must be part of the solution instead of feeding the problem. Let's work together to be Christ's light in our world!

Yours in Christ,

Rev. Cory Germain

Hy-Vee & Fareway Report as of 18 June 2023

During the last four weeks, \$8,510.57 (4.26%) worth of Hy-Vee slips were received. After 25 weeks, Hy-Vee is at \$101,280.36 (50.64%) toward the 16th goal which is now \$200,000. We have been getting to the \$150,000 goal in about 44 weeks and the new \$200,000 will take almost 60 weeks.

During the same time, \$1,273.46 (0.85%) worth of Fareway slips were received. After 11 weeks, Fareway is at \$13,262.33 (8.84%) toward our 5th \$150,000 goal.

This program started the first of March 2011, so any slips from then until now can be used. Any Fairmont Fareway and Hy-Vee food store register slip can be used. Even slips from Hy-Vee Fast & Fresh (Gas), Coffee Shop, Food Service, and Pharmacy help us toward the goal. Thanks to all who bring/mail the slips to the Church, or mailing them or dropping them off at my house. Even the very small amounts help.

Sounds of Hope, Ltd.

International Arts & Performance Camps

We are excited to be hosting an energetic concert by Songs of Hope™ at our church on Saturday, July 22nd at 7:00 pm!

Songs of Hope™ is a six-week, overnight performing arts summer camp in Saint Paul, for kids aged 10 and older from around the world. More than just a performing arts camp, Songs of Hope™ offers participants a unique opportunity to live in community with kids from other countries and cultures while learning and performing music from many countries.

Each summer, a select group of nearly 70 children and young adults venture to Minnesota from Europe, Asia, Africa, Latin America, the Middle East, and the U.S. They arrive as strangers but soon find themselves embraced in a closely-knit, supportive community as they learn popular songs and dances from each other's cultures. Then, they take these songs of peace, love, and respect into area communities like ours in a joyous celebration of cultural unity, delighting their audiences along the way.

The lessons learned during these six weeks are profound. The friendships are enduring. And the stories are inspirational. Taking part in the Songs of Hope™ camp is a transformational experience. To learn more about the organization, you can explore their website: <https://www.soundsofhope.org/>

How can you help?

The concert will be in our sanctuary. It is free and open to the public, so plan now to attend. Invite your family, friends, and neighbors! You'll see press releases in the local newspapers the week before.

We are responsible for feeding the group Saturday evening before the concert, as well as breakfast the next morning before they leave for New Journey UCC in Hutchinson. A sign-up sheet will be published soon, so please help show our legendary First Congo UCC hospitality!

Heritage Hall will provide a place for the kids (with chaperones) to stay overnight afterward. A few of the accompanying adults would love the opportunity to sleep in a real bed instead of on a floor, so if you could host someone, we'll have a sign-up sheet for that too!

Looking for:

Someone to provide lawn care and snow removal at First Congregational! This is a paid position! Please, contact Dean Grotte (507-236-0216) or Larry Lasch (507-432-8121) if you are interested. Thank you to Tim Campe for all your mowing and snow removal!!

Happy Independence Day
