

Christopher & Company Special Events Presents

Naranja Nights

A Fundraiser for the Michigan Chapter of the National Multiple Sclerosis Society

I am writing to invite you to play a powerful role in making a difference in the lives of thousands of people impacted by Multiple Sclerosis. Christopher & Company is proud to sponsor their sixth annual fundraiser Naranja Nights benefiting the Michigan Chapter of the National Multiple Sclerosis Society. On March 9, 2019, we will return to the Diamond Center at the Suburban Collection Showplace in Novi for an unforgettable evening of dinner, dancing, entertainment and a silent auction. We hope you will join us in support of Naranja Nights through a donation to our auction, or by being a program or event sponsor. Our tireless volunteers are working around the clock to create a spectacular evening, now all we need is you. Our many donation opportunities and benefits are in the following pages. All donors will receive valuable exposure through our Social Media pages, a link on our website, in our event program and throughout the event.

Conceived in 2014 by Special Event professionals Christopher Gregorich and Joseph Martinez, Naranja Nights grows each year with the support of generous local donors. In 2017, Naranja Nights was recognized by The Michigan Chapter as a Top 10 DIY Fundraiser. Co-founder Joseph Martinez, diagnosed with MS in 2008, is also a National face of MS appearing in MS publications across the country. In order to continue the success of Naranja Nights, we need your support.

The Michigan Chapter serves nearly 18,000 people impacted by MS through critical research funding, educational programs, and direct aid. They work to improve the quality of life for people with MS in Michigan and work to ensure people affected by MS can live their best lives. Their goal is to stop MS in its tracks, restore what has been lost and end MS forever. MS is a progressive disease and no cure has yet been found. On March 28, 2017 the FDA approved the drug Ocrelizumab to treat adult patients with relapsing forms of MS and primary progressive MS. This is the first drug approved by the FDA for primary progressive MS. Progress like this happens because of generous donors like you.

An end to MS is possible with your support. If you are able to make a donation or sponsor our event, please complete the enclosed form and return it via mail or email by March 1, 2019. Our contact information is listed below if you have any questions.

Thank YOU for joining the movement toward a world free from of MS.

Sincerely,

Michelle Finazzo
