

KOINONIA'S *Christmas* WISHES

The holiday season, particularly Christmas, can be especially difficult for those who don't have the means to buy gifts for their children. We at Koinonia try to give this experience to our clients. Our Christmas wishes program allows Moms and Dads to pick out gifts for their children, just like they would if they were shopping in a regular store. This year, the event will take place on December 11th-13th at Franconia United Methodist Church. Please drop off your UNWRAPPED toys and gift cards by December 11th.

To accomplish this, we need the support of you and the community. We need new toys and books for all ages. We also need gift cards for teenagers (no larger than \$25). Toys and gift card suggestions are on the back.

We also need volunteers to help out at the event. We need people to help set up on December 10-11th, work in the shop December 11th-13th and clean up on December 13th.

If you can help during any of those times, please call the Koinonia office at (703) 971-1991.
