

Chain of Evil concept

Shun and Shame

Selfishness, action or motive of a person lacking consideration for other people. A person mainly concerned with one's own personal gain or pleasure. Selfishness is cause & effect of the 7 links of the :

Chain of Evil: Greed > Profiteering > Wealth > Waste > Elitism > Apartheid > Injustice.

The 7 links have many evil mutation links: Celebrity sport ~ Credit Provider ~ Deceitful packaging ~ Estate ~ Foreign ownership ~ Franchising ~ Freehold ~ Globalization ~ Shopping Center ~ Tax avoidance ~ Unearned ~ Union ~ University ~ Charity ~

The Chain of Evil is a community disease

A disease with the symptoms of selfishness, corruption, unfairness. It is a widespread disease. Is this your community?

A local well off community has homeless (sleeping in rubbish dumpsters) underfed (eating garbage), struggling (bullied harassed, stalked by debt collectors) people. Many of its people go without the necessities of everyday needs (eatable food, clean water, decent clothing, affordable, comfortable, secure shelter). These needy people live in misery, which often leads to substance abuse (smoking, alcohol, mind altering substances).

These needy people live in misery, which often leads to substance abuse (smoking, alcohol, mind altering substances).

This is a selfish community living the 'Chain of Evil'. Failing its duty of human decency. Is this your community?

If so it is your duty to change things. Failure to do so is immoral is Evil is Anti 1 God. Evil needs asset stripping and caging: MS R6.

1 God is waiting to hear from you !

Chain of Evil Prayer

Dear **1 God**, Creator of the most beautiful Universe
Your most humble faithful custodian-guardian (1st name)
Requests help with holding accountable members of the Chain of Evil
Asks that Chain of Evil members be punished now and in the Afterlife
Asks Chain of Evil members, Relive Bad for 7 Generations
Let the Good thrive and Chain of Evil shrivel
For the Glory of **1 God** and the Good of Humankind

Use this prayer every time you meet a member of the Chain of Evil:
Person, Association, Corporation, Organization, Government,...

Greed > A 'Chain of Evil' starts when 1 person, a group, organization or government selfishly desire to have more (**material things, influence, power**) than any other individual, group, organization or Government.

Greed is private ownership, claiming intellectual property, tax deductible donations, negative gearing, freehold, tax avoidance, speculating, exploiting workers (**casual employment, slavery, underpaid, under age, unhealthy, unpaid overtime, unsafe, work more, faster**).

Greed is private ownership (**capitalism**). Private ownership entails not sharing. It is arrogant elitism. Private ownership of assets and intellectual property (**I. P.**) ends. Domestic assets, 'I. P.' are transferred (**no compensation**) to the Shire'. Businesses are converted (**no compensation**) to '**CROn**' (Community Run Owned not for profit)

Greed is speculating (**gambling**) that asset values, prices, unearned income will be increasing. Speculating artificially drives up costs and credit debt (**using other peoples money**) resulting in reduction of affordability. Speculating is Anti Community, immoral it ends! Negative gearing, Freehold are canceled! Futures, Stock Exchanges are closed! Trading and hedging Ends!

Greed is Tax avoidance (**tax deductible donation, tax minimizing, tax shelter**), stealing from the community. Tax avoidance is a crime, **MS R6**. Tax deductible donation is corruption. Tax deductible donations end, tax minimizing ends, tax shelter regions are closed down!

Greed is exploiting workers. Greedy Profiteering Bosses use: **The Slave driver creed**: casual employment, slavery, underage, underpaid, unhealthy, unpaid overtime, unsafe, work more, faster. The Slave driver creed is immoral, unhealthy (accidents, stress, death), anti social. Bosses that apply a, 'Slave driver creed' get, **MS R6**.

Greed creates wealth Apartheid! Wealth Apartheid is the main cause of injustices! Wealth Apartheid, injustices are immoral, Anti Community, Anti **1 God**

End Wealth Apartheid Now !!!

Not only individuals are greedy. Globalization is parasitic, predatory, profiteering, Greed. Globalization has been hijacked by Greedy Profiteers. To be used for their Pyramid selling marketing (Free trade). To keep profits growing until they run out of countries, resources. Free trade is globalization by multinational businesses exploiting labor, undermining Government. **Free Trade Ends!**

World Trade Organization ends!

Must do !

Take from the Greedy

Give to the Needy

Confiscate without compensation from the Greedy all assets, personal, commercial., entitlements, life insurance, private super, estate..

Strip Greedy of all their titles (hereditary, honorary, professional).

Deny Greedy leadership positions (strip them of existing leadership positions..).

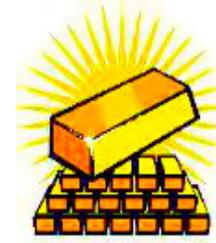

Publish their name, picture (internet, Town hall shame wall..).

Punish Greedy cage them, **MS R6**.

Oppose Greed, Globalization, Freehold, Foreign ownership, Unearned, Copyright, Patents, Private ownership, Estate...

*Moral-initiative
punish Greed*

Profiteering > selfish desire becomes reality by deceitful, dishonest, uncaring, immoral taking advantage of others, gaining an advantage over them overcharging, insider trading, hedging, misleading advertising, fraud, exploiting human weaknesses, Slave labor, ignorance, speculating, corruption. **MS R6**

Examples of Anti 1 God Anti Humankind Profiteering :

Deceitful packaging entails downsizing package content, but not packaging, to increase profit. **Accountability : MS R7 !**

Overcharging entails taking advantage of a supply shortage.

Price fixing entails belonging to a cartel so as to maximize profit.

Speculators (Real Estate) driving up home affordability denying struggling families a home. Increasing Slums and homelessness.

Blackmail Multi national assembler in 'Country A' wants benefits and tax breaks from 'Government A'. 'Government A' refuses! Assembler asks 'Government of Country B' this Government agrees to demands.

Assembler closes down production in Country A. Sacks workers moves to 'Country B'. The profits are sent home and paid out as bonuses to executives (criminals) and dividends to share holders (parasites).

How a Multinational (criminal threat to community, sovereignty, wealth) operates: strip foreign countries of their resources, wealth (primary producers, real estate), intellectual property (inventions, know how, patents, trademark) with help from corrupt government. Get handouts, tax freedom and cheap labor using blackmail. A government is told that if it doesn't capitulate to the Multinational demands they will find a government that does meet their demands (blackmail) and move their operation. They use their corrupt home Government to

intimidate or destabilize other foreign Government. To bring change that benefits the Multinational. If this doesn't work they probable have home country invade. Multinationals are modern pirates.

The greatest threat to democracy are Multinational's

Must do !

Take from the Profiteering
Give to the Needy

(see Greed must do) Prosecute Profiteer : **MS R6** !

Replace private ownership with, **CROn** (Community Run Owned not-for-profit) !

Dismantle Multinational (to **CROn**'s) prosecute CEO, Directors, owners: **MS R6**

End Profiteering prosecute Profiteers: **MS R6**

Wealth > The gaining an advantage over others accumulates vast amounts of material things, influence, power (jewelry, Real Estate, luxury, positions of power, servants, Government) **MS R6**

Wealth is accumulated in 3 ways:

'Chain of Evil', 'Dishonesty', 'Estate'.

Hard honest work does not bring wealth!
Hard honest work is good for body, Soul.

Wealth is Anti Community, not deserved, not acceptable!

Being Wealthy is predatory attracting other predators who want also to have wealth any which way they can. Wealthy trying to increase their wealth or keep it will do anything including: bribe, bully, cheat, kill, lie, steal, tax evade.

Wealth the main cause of Evil

Corrupt Government bought and controlled by wealthy change laws to create 'Injustice'. This injustice is Anti **1 God** !!! Corrupt Government and injustice are replaced. Wealthy are held accountable: Asset stripped and **MS R6**.

US Bankers Creed: Only poor and needy pay tax.
Wealthy pay Accountant and tax evade.
Bankers, Wealthy and Accountants! **MS R6**

Research shows struggling, poor and needy pay more for everything. Wealthy get volume discounts and freebies. **MS R6: for Wealthy!**

Only poor, needy are caged. Wealthy pay fines get lawyers. If need be, by corrupt, government protection. **MS R6: Corrupt Government, Wealthy!**

Wealthy are the main cause of immorality, pornography and other perversions! Wealthy are the main cause of pollution and garbage! Wealthy believe they are more deserving than others, creating elitism and wealth apartheid! Wealthy wanting to keep or increase their wealth corrupt, bribe government to bring out unjust Law!

Wealthy pay fines! Needy, Poor go to prison.

Wealthy are Parasites, the 'Chain of Evil'! Wealthy are accountable for their Anti Social, Anti Community, Anti **1 God** behavior! Wealthy are asset stripped, prosecuted, Rehabilitated: **MS R6**

After Rehabilitation, wealthy are not allowed to own any assets! They work for the Community on **1 x wmw** until they die! Wealthy are not entitled to Government Old Age Pension! They work until they die!

Wealthy a Community, Environment Threat

Nobody deserves to be Wealthy !!!!

Waste > Human mentality cannot handle too much of anything (**material things, influence, power**) resulting in immorality and waste.

Human design entails the will to survive. To survive adversity and constrictions need to be handled. Hope (**Dreams**) and Justice (**Accountability**) are there to help! Diminishing Hope and corrupting Justice threaten security, Survival!

Examples of Anti 1 God and Anti Humankind Waste:

Too much money_ fulfills dreams. Running out of dreams to fulfill _ leads to boredom, eccentricity, addictions, immorality, criminality,...

Too much money_ leads to gaining undue influence in a society that idolizes Money and the Waste it creates. Money influence is corrupt, made possible by a Society that prostitutes itself to Wealth and Waste!

Too much money_ leads to wasting money on non essentials: alcohol, antiques, celebrity sports, gambling, immoral sex, vanity, Jets, jewelry, Mansions, limousines, unhealthy diet, drugs, Penthouses, Yachts, ...

Too much money + undue influence = Power. Power gained this way is corrupt! Corrupt Power turns into Injustice and Tyranny. Tyranny ends, **MS R7**.

Too much money triggers a 'Hoarding instinct'. Keep what I got and accumulate more! What's mine is mine, what's yours I want any which way I can. I want it all! Enough is never enough and I am not going to share!

Accumulated Wealth wants protecting from other greedy profiteers and Social Justice Government. Tax deductible donations to members of Parliament ensure they understand who they represent. Other greedy profiteers are taken care of through deceit, dishonesty, bullying... Competition and unwilling Politicians are exposed to, misinformation, rumors, bullying media campaign.

Wealthy use power to ensure Laws are there to protect them from paying Taxes, having losses and when they do have losses they are bailed out by corrupt Government (**US Wall street, China, UK City of London..**). Wealthy don't pay taxes yet get the benefit of every thing Government provides. **Wealthy are Parasites, community wealth wasters**

on non essentials and hoarding **MS R6**

Wealthy Wasters, Hoarders support **Globalization**. They operate foreign tax havens where they park their wealth. All Tax havens are closed down, Asset stripped, their Government is caged, **MS R6**

Take from Wasters **Give to the Community**

Must do !

(see Greed must do) Prosecute Wasters : **MS R6**

Oppose and End :

Estate ~ Tax havens ~ Private Ownership ~
Free trade ~ Globalization ~ United Nations

Elitism > Having too much, leads to a believe in infallibility (being better, more deserving than others). Elitism basically means (1 person or a group believe that they are better than the rest, deserve more non essentials, more respect, more rights...) selfish arrogance. Elitism breeds:

Ambition, apartheid, arrogance, corruption, deceit, discrimination, dishonesty, distrust, greed, jealousy, injustice, profiteering, substance abuse, selfishness, winners...

Examples of Anti 1 God Anti Humankind Elitism:

Elitists conspire to give themselves extra privileges at the expense of all other people. Which is discrimination, exploitation of others for the purpose of self gratification. **Elitist are arrogant selfish anti community, unacceptable. Shame them, Shun them !!**

Elitists (blue bloods, monarchs, wealthy, megalomaniacs) believe because of their breeding they are born to rule organizations, countries. Blue blood*s, monarchs, wealthy and megalomaniacs support inbreeding it is bad for specie (faulty genes). 'Sick arrogance'. Custodian Guardian oppose hereditary: tyranny, wealth, power and position.

*Blue blood the sewerage of a human body. Blue blood's are inferior members of the human species. The least suitable to lead.

Universities are arrogant corrupt elitist. They are used as shortcut to wealth and power. Corrupt 'Old Boys Network'. Waste of community

resources and time wasting by students (irrelevant degrees, too much free time, overpaid educators..)! Undergraduates lacking work experience are overpaid. Close Universities. Recycle as CRON work chapels!

Olympic games (summer, winter) are elitist, corrupt, wasteful and dishonest. They are elitist entertainment (1 winner, many losers). Creating huge debt to 'Shire' to entertain the well off! Cancel Olympics and close down IOC. Demolish venues, recycle as Cluster homes for needy, homeless, struggling! Useless live wasting olympians get a job!

Olympian's are not champion's, hero's, idol's or roll model's. They are selfish, greedy, parasitic burden to the community. They torture their body, over exercising, using legal, illegal supplements. Later in life they are a burden to the community health care system. They waste scarce community resources for training and Olympic venues, infrastructure. Replace Government that spends on Olympics! **MS R7**

Competitive Professional sports are elitist, corrupt, dishonest. Supported by immoral trashy greedy Media creating and disposing of Sport's Celebrities. This entertainment is sponsored by addiction providers (alcohol, gambling, junk, smoking), leading to cheating, gambling, use of body and mind altering substance abuse, creating unsuitable roll models... Custodian Guardian oppose competitive sports.

Universe Custodian Guardians believe that every person is a joint inheritor of all natural resources, inventions, intellectual property (I.P.), possibilities and opportunities accumulated past and present (social justice: equal distribution of all the before mentioned for all people).

Social Justice is a **1 God** given right. Elitism is anti social justice, Anti **1 God**. Elitism is immoral, criminal and unacceptable. Laws serve the majority. Minority Laws that benefit elitism are corrupt, unjust, are replaced. Governments that encourage, nurture elitism are unfit to govern. They are replaced, prosecuted: **MS R6**

Must do !

Scrap **Elitism** > **Establish**

Equality without giving compensation !

Elitist schools become public schools !

Elitist hospitals become public hospitals !

Elitist retirement housing transfer's to **Shire** retirement home !

Private beaches become public beaches !

Golf clubs are turned into market gardens !

Universities are turned into **CROn** work chapels !

Olympic, Sport Competitive Arenas are demolished !

Elitist trophies, records are destroyed by the **Shire** !

Private clubs of any sort become public domain !

Freehold becomes community **Shire** property !

Private ownership is turned into **CROn** !

Hereditary Tyranny becomes freely multi choice elected committee!

Zero Tolerance to Elitism

Wealth Apartheid > is the unequal distribution of community wealth! Unequal wealth distribution is immoral, Anti 1 **God**! Wealth Apartheid is unfair, a crime: **MS R6**

The '**have all**' discriminate, look down, humiliate the '**Have Not's**' (wealth Apartheid).

Increasing Wealth Apartheid increases the security risk for a community. The faster the unequal distribution of community wealth evolves the more likely are anarchy and civil unrest!

Wealth Apartheid is unacceptable, it end's !

Anti 1 God Anti Humankind Wealth Apartheid:

Estate is passing on wealth, position, power increasing Wealth Apartheid. **Monarchists', Private ownership, Dynasties'... This End's !**

Globalization the wealthy nations bully (blockade, credit squeeze, free trade, invasion, sanctions, top-ple Government..) poor, struggling nations into selling their resources cheaply. Multinational Parasitic, Predatory Profiteering Conglomerates blackmail poor countries. So they can exploit their poor people as child labor and slave labor, working long hours, unsafe, underpaid, unhealthy.. **This End's !**

Wages inequality a main cause of Wealth Apartheid! For every 1\$ a US worker gets the highest paid wage earner gets paid 13\$. The higher up the scale you go the more Bonuses other Benefits' kick in. Top earners also get 'Perks'!

Benefits include: insurances (health, dental, life, income protection, ..); child day care, retirement benefits, study reimbursement, sick leave, vacation, long service leave..

Perks: take home vehicles, credit card, **paid:** trips, hotel, restaurant visits, leisure activities (Private club, golf, tennis ..), stationery, Accountant (tax avoidance);... **Benefits, Perks** further increase wages inequality. For each highest paid employee, 20 hard working Workers can be employed.

Must do !

End Wealth Apartheid **Establish Wealth Equality**

Estate: passing on wealth, position, power, ends! Assets become General Revenue! Personal items and Knowledge continuity are passed on (Estate)!

Note! Accepting wealth, position, power, also entails inheriting guilt, liabilities, accountability!

Private Ownership: ends! Commercial (small, big, multinational) become **CRon!** Domestic transfer to 'Shire'!

Globalization: Multinationals are prosecuted, **MS R6** dismantled to become local **CROn** ! Government that support globalization are replaced and held accountable, **MS R6**.

Profit: ends! Break even non profit applies!

Wages: inequality is replaced by Custodian Guardian **wmw**!

Zero Tolerance to Wealth Apartheid !

Injustice > The 6 previous links in the Chain of Evil lead to corruption of the legal system, Injustice (Appointment, Bad Law, Corrupt Law, Estate, Private ownership, Self regulation, Tax avoidance, Unearned,..).

Child Injustices: beating, begging, molesting, labor, paedophilia, prostitution, soldiering, suicide bomber,.. Child Injustices are the worst form of Injustice, a community failure. It ends! Guilty are held accountable !

Women Injustices: domestic violence, pay gap, rape, prostitution, religious, sexual harassment, slavery... Women Injustices, a community failure are addressed! Guilty are held accountable!

Community Injustices: Elitism, greed, homelessness, profiteering, waste, wealth, wealth apartheid. Community Injustices are addressed! Guilty are held accountable!

Bad Law Injustices: Freehold, copyright, patents (Intellectual Property), privatization of utilities, tax deductible donation... Bad Law is revoked! Revoking is backdated to 0.1.1.1.(01.01.2004). New Laws are backdated. Bad Law practitioners are prosecuted.

Corrupt Law Injustices: Diplomatic immunity, double jeopardy, immunity, plea bargaining, privilege, statute of limitations,... Corrupt Law is revoked! It is backdated to 0.1.1.1.(01.01.2004). New Laws are backdated. Bad Law practitioners are prosecuted.

Religious Injustices: celibacy, circumcision, exorcising, forgiveness, molestation, paedophilia, privilege, sacrifice, women discrimination.. Denounce, Shun religious injustices, hold clergy accountable! Become a Custodian Guardian!

Governance Injustices: Assassination, corruption, execution, invade, torture, tyranny, wealth apartheid.. Replace Tyranny with multiple choice 1st past the post freely elected Committee. Tyranny, Governance that assassinates, executes, invades, tortures! Is Evil, is replaced, caged, **MS R7**. Corrupt, Wealth Apartheid Governance is replaced, **MS R6**

Wealth Apartheid, Injustices: Fines, self regulating bodies... Injustice is when fines are issued instead of Rehabilitation. Fines are issued to protect the 'Have too much, people in power,..

2 individuals get fined \$300 for committing the same lawless act. 1 is on \$300 a week welfare handouts. The other is on \$300 an hour income. The poor loses a weeks pay, cannot pay bills, has no cash for food. He doesn't pay the fine goes to prison instead. The wealthy pay's the fine and tax deducts the fine. This is wealth apartheid injustice.

This Ends! Fines are replaced with Rehabilitation.

Professionals (Accountant, Surgeon..) are members of 'Self regulating bodies'. These protect incompetent, lawless members from facing Justice. They also help them ripoff their clients. **This injustice Ends!** Self regulating bodies are closed. Justice returns.

Self regulating bodies are created by corrupt lazy Government. That is too corrupt because they are bribed by interest groups, govern on their behalf and not the people. Lazy Government doesn't want the responsibility of govern, supervision and enforcement. Government that establish or allow self regulating bodies is replaced and held accountable, **MS R6**.

Every person has a moral, Civil Duty to end Injustice. Hold people organizations, Government accountable that are the cause, effect of Injustice. **MS R6-R7**

Zero Tolerance to Injustice

The links of the 'Chain of Evil' are expanded by many linkages:

Celebrity sport ~ Credit Provider ~ Deceitful packaging ~ Estate ~ Foreign ownership ~ Franchising ~ Freehold ~ Globalization ~ Shopping Center ~ Tax avoidance ~ Unearned ~ Union ~ University ~ Charity ~

Celebrity Sport is part of the culture of the Chain of Evil.

Corrupt elitist greed, profit driven entertainment. Entertainment to benefit the bored idle wealthy. Some celebrity sport is used to divert under privileged attention away from realizing how exploited they really are.

Sport Celebrities, elitist entertainers who do anything to win, break records and be worshiped (**idolized**). A need of Sport participants to get elitist recognition + Sponsors' (**greedy Profiteers**) and a complicit trashy Media created an abomination: '**Celebrity Sport**'.

Celebrity sports participants, are paid (**directly, sponsored, grants ..**) professional entertainers. Australian Rules Football, Auto racing,

Baseball, Basketball, Boxing, Chess, Cricket, Cycling, Golf, Gridiron, Ice hockey, Grand Prix, Yachting, Olympics, Para Olympics, Rugby, Horse racing, Motorcycle racing, Tennis, Soccer, Swimming, Winter Olympics, Wrestling...

Celebrity sport needs purpose build facilities, Hall, Stadium.., infrastructure, Rail, Roads.. Wasting community resources creating long term Shire debt. These facilities are energy wasters. They create a lot of garbage. Stop building these facilities, demolish existing. These events supply entertainment, Alcohol, Cola, other sweet drinks, gambling, unhealthy food (**greasy, fatty, salty**) often accompanied by violence (**vandalism, assault, rage, throwing objects..**).

Event's create a lot of garbage (**bottles, food, paper, plastic, cans**) needing storing (**landfill**). Councils are running out of room for landfill!

Gambling leads to crime: Cheating (nobbling, rigging of result.), intimidation, blackmail, violence.

Celebrity sport a major cause of shopping addiction. Marketing creates demand by using loyalty to local idols (Sport Celebrities) to drive shopping addiction (gear, junk, paraphernalia). You are a fool paying too much for clothes, footwear! Fans behave like Zombies (brain washed, mindless, mass hysteria).

Celebrity sport through Sponsors increases Addictions: Alcohol, smoking, gambling, shopping, drugs... These Addictions are a burden on individuals, families and community.

Sport Celebrities are **Greedy Media** creations to increase profits for themselves and other greedy profiteers (alcohol manufacturers, gambling providers, junk food outlets, smoking manufacturers, pornography, prostitution..). Once the popularity of a Celebrity wanes they are discarded and replaced with a new Celebrity.

A need to stay popular, to win, leads Sport Celebrities to explore their dark side. Immorality (adultery, pornography, nudity, gambling) is used to gain attention. Substance abuse (alcohol, smoking, drugs, steroids) is used for stress and to keep up performances. A Greedy Trashy Media uses this behavior to increase profits and eventually to dump the Celebrity they created.

Using Sport Celebrities as roll models, Idols, is unacceptable. Sport Celebrities are false idols they insult **1 God**. Educators who promote celebrity sport are replaced. Parents allowing their child to play celebrity sport and worship Sport Celebrities are bad parents. The Community re educate's these bad parents (shun, shame).

Sport is leisure time entertainment a hobby not work. Lazy (dumb) student get's University sport scholarship. University, Sponsors and trashy media create lazy, dumb useless Sport Celebrity. University is closed, Sponsorship ends, trashy media shuts, sport celebrity gets a low paid job. There is no place for sports media people in media.

End Celebrity Sport demolish venues ...

Replace with public participation Community leisure activities.

Credit provider, Predator lender, Loan shark!

Providing Credit (card, loan, mortgage) for profit is predatory lending a 'Loan Shark' operation. Predatory lending is allowed and encouraged by corrupt criminal Government. Predatory lender use debt collector (criminal) to collect their credit.

Credit for profit Ends! It's providers are closed prosecuted, **MS R6**. Government that allows, encourages predatory lending is replaced, prosecuted, **MS R6**

Custodian guardian condone non interest unenforceable loans. You only pay back the amount lend (no fees, no interest). You don't have to pay back if you cannot do so. If you do, when you can, don't pay back more than 10% from your weekly wage.

Custodian guardian condone unenforceable loans. Therefore there is no debt collecting (debt collectors).

Debt collector are closed down caged **MS R6**

Deceitful packaging (consumer fraud)

Profit orientated economies allow immoral criminal 'Deceitful Packaging (consumer fraud)'. Consumers need protection from deceitful, dishonest, parasitic, predatory, greedy profiteering producers, manufacturers and retailers who use 'Deceitful packaging' (down sizing content) to take advantage (rip off) of consumers.

Examples of how the deceitful, dishonest, greedy system works.

A product comes in a 0.440 kg package using their brand label. The same product is also labeled as a retailers home brand, but the package content is reduced to 0.415 kg. It is done so a retailer can sell their home brand at a lower price than the manufacturer brand. This is to fool (deceitful, dishonest, greedy trick) a consumer into thinking that the home brand is a bargain because of its lower price. When in fact, a consumer gets less product there is no saving. Sometimes a consumer ends up paying more. Consumer fraud!!! **MS R3**

A manufacturer packs his product in a 0.440 kg package. Another brand uses the same size packaging but in a deceitful, dishonest, fraudulent, greedy manner only puts 0.425 kg of product in. If products are sold at the same price, the 2nd manufacturer makes a greater pro-

fit. The consumer gets less product for the same amount of money spend. The consumer has been deceived. If the 2nd manufacturer sells at a lower price, his product looks like a bargain. Because there is less product in the 2nd package it should therefore sell for less, not making it a bargain anymore. The 2nd manufacturer hopes in a deceitful, dishonest, greedy manner, that the consumer will not check the weight since his packaging looks similar to competing products. **Consumer fraud! MS R3**

Packaging comes often with less than full content (**over sized packaging**). Packaging is designed to hold 6 items but only contains 5. This deceit is meant to deceive consumers in believing they get more then they actually get! **Consumer fraud!!! MS R3**

Get less > pay More! A manufacturer adds less Salt, Sugar. Labels product 'Reduced' and charges more! Reduced is to convey to consumer there was an extra cost (**something taken out, reduced**). Therefore a higher price is needed. Not True, there is no extra cost. Manufacturer put less in, so the price should be lower. **Consumer fraud!!! MS R3**
Reduce means put less in.

Imported goods packaged to look like local product. **Consumer fraud MS R3**. Local product packaged to look foreign, imported. **Consumer fraud MS R3**.

Must do !

Government is to standardize packaging content size. Standard's apply to commercial, industrial, personal packaging. **Note!** Imperial measures are obsolete. **All Packaging is recyclable.**

The product with the **lowest kg, l price** is the **Bargain !**

Estate (inheritance)

In a selfish greed driven Society upon death of an individual it is common to pass on position, power and wealth. Creating an Elite of unearned undeserved position, power and wealth. This behavior is cause and effect of Wealth Apartheid. Wealth Apartheid, a crime, **MS R6 Note!** Accepting an Estate also entails accepting past debt, guilt and accountability!

Inheritance of position Ends. It is replaced with promotion by work experience + further study + Seniority.

Inheritance of wealth Ends. It all goes into Government Revenue.

Inheritance of power Ends. It is replaced with freely multi candidate elected Committee.

Leadership by 1 is tyranny (**Hereditary, Political**) it Ends. Leadership by elected Committee is fair.

Custodian guardian pass on knowledge continuity, memorabilia, traditions, beliefs.. They pass on community spirit and responsibility. Custodian guardian pass on the philosophy of **1 God 1 Faith 1 Church**. They also pass on their guide, the '**Law Giver Manifest**'.

Foreign Ownership (Treason)

Allowing Foreigners to control, exploit, own, plunder is '**Treason**'!

Government that allows foreigners to take advantage (**Rip off**) of locals is committing Treason (**crime**). Government is replaced: **MS R7**

Examples of how **foreign ownership** '**Treason**' works :

Foreign Ownership alter, corrupt, destroy local: culture, values, jobs, traditions... Foreign Ownership plunders local: Intellectual property, know how, resources, wealth... **Foreign Ownership Ends. Free trade Ends.**

Foreign Ownership drives' up land and real estate prices. Making Homes not affordable for local home buyers'. Result, increasing homeless... **Foreign Ownership of 'Freehold' (land, real estate) Ends. It is confiscated without compensation.**

Foreign Ownership of entities results in foreign leadership positions. Denying locals to hold these positions. **Decreasing promotion opportunity, increasing unemployment.. Dumbing down of local staff.**

Foreign Ownership of manufacturing results in importing their supplies. Rather than buying local. **Also local intellectual property is taken offshore!**

Foreign Ownership of Entertainment undermines local talent and their opportunities. Brainwashing locals to become foreign culture clones losing their entity. **Foreign ownership of entertainment is the greatest threat to local culture, customs, dialect and traditions. If you are American watch American entertainment. If you are not, don't watch American entertainment.**

Foreign Ownership leads to local wealth going overseas. Leaving locals poor, destitute. **Foreign Masters owning local peasant servants.**

Foreign Ownership of Franchises destroy local business, uniqueness, diversity. Undermining local traditions forcing unsuitable foreign culture on the local community. **Betraying locals.**

Foreign Ownership of resources leads to the foreign owner selling resources cheaply to his country of origin benefiting them. Robbing locals of the Resources and their wealth. **Letting Foreigners own local Resources is Treason, MS R7**

Foreign Ownership of Food production and food distribution. **Result:** Food production caters for export leaving locals with the export rejects at high prices. **Also some local foods will be replaced by a foreign diet. Destroying local cuisine!**

Foreign Ownership of Media is an invasion by stealth. Foreign media influences locals to the benefit of foreigners. **Destroying local Culture, Heritage, Traditions, corrupting Politicians, Government. Government loses their sovereignty, betrays the local population, commits Treason, MS R7**

Foreign Ownership often leads to Blackmail. Foreign Multi national demand a Government give them handouts, tax freedom and cheap

labor. Government is threatened that if it doesn't capitulate to the Foreign Owners demand. They will find a government that does meet their demands and move their operation there. Australian Government regularly paid (100's of millions) out to Foreign Multinational Car companies. They sent Executive bonuses' home and increase their foreign shareholders dividends'.

Note! Australia eventually said no to Foreign Car makers blackmail. Car makers (Ford, General Motors, Toyota) closed factories, become importers. Custodian Guardian do not use transport from these companies, they cannot be trusted.

Zero Tolerance to Multinationals !

Must do !

Cancel Foreign Ownership of: Assets, Businesses, Intellectual property, Land, Manufacturing, Primary production, Resources, Real Estate! Without compensation.

Replace foreign owned businesses with **CROn (Community Run Owned not for profit)**! Support CROn! Shun Multinationals!

Replace, prosecute (**Treason**) Government its Public servants that allow or encourage Foreign Ownership! **MS R7** Foreign Ownership is an invasion and occupation without the use of military force. Defend your community from this threat. End Foreign Ownership.

Only allow Imports that do not compete or replace local goods and services. Encourage local production to avoid having to import.

'Cancel Foreign Ownership'
'Save Local Jobs'

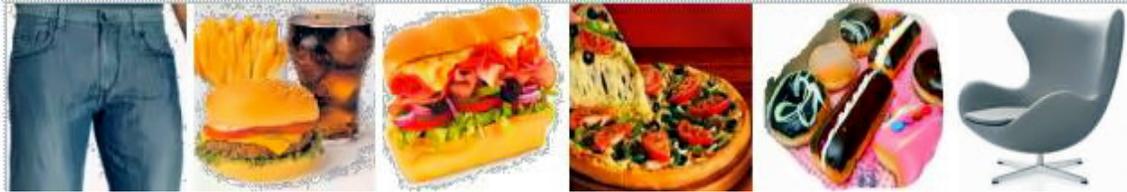

Franchising (Business model: Cloning)

Franchising is a Greed, Profiteering cloning marketing system. That uses a particular business model than clones itself. Designed for mediocre small profiteering capitalist. To spread (**Globalization**) cancer like over the Planet. Customers loose their identity. They look, eat the same in New York or Berlin. Mindless mediocre Zombies.

Franchising destroys local tradition, uniqueness, diversity, culture. Most Franchises are 'US' or based on US Marketing systems. They offer often unhealthy products: Junk food outlets, US and their culture

clones are a main cause of, 'Diabetes' Plaque, 'Obese Plaque (Blubber people)', high blood pressure epidemic, Acne... Franchises destroy local Cuisine, Fashion.. Communities, Government that allow Foreign Franchises to operate betray local cuisine, heritage, traditions and population, **MS R7**

Cloning a cheap mindless copy. Globalization is Anti **1 God**

Franchises destroy diversity by selling 'Designer clothes'. These clothes are uniforms (jeans..) for people who betray their culture and heritage, mindless, primitive, dumb clones. Shun these dummies!

Franchises with their slick marketing (exploiting human weakness, gullibility) are the main cause for the Addictions: Shopaholic, Gadget Junky! Franchises are under staffed, use poorly trained underpaid juniors, casuals. Customer service is poor or non existing. Most 'Bargains' and 'Sales' are Fraud!

Custodian Guardians believe that Franchising is Anti **1 God**. It undermines **1 God's** design of local uniqueness and diversity. Franchising being global defies **1 God's** Anti Globalization.

Must do !

Confiscate (without compensation) all Franchises, convert them to local **CRON!** **Punish** Greedy Franchisee cage them, **MS R6**. Support local unique traditional business (converted to **CRON**).

Protect your communities heritage:

**Oppose End Franchising, Globalization,
Free trade and Foreign Ownership !!!**

Freehold (public land plundered from the community)

Freehold land is public land plundered from a community by corrupt criminal Government (remove government, hold accountable). This type of government either gave away land (squatting) or sold it to criminal greedy, parasitic, predatory, profiteers (speculators). Land specu-

lators are Parasites, **MS R6!** End Freehold! Support Shire Land Ownership !

Freehold land is used by investors to speculate (**gamble**) hoping to drive up property prices (**profiteering, capital gain**) denying a Shire affordable shelter. Investors also use freehold land for criminal tax avoidance (**negative gearing**), **MS R6!**

Investor erects flimsy buildings, charges over priced rent. People who can't pay become homeless. Investment Property is not really bought for rental income but used as tax evasion. Result decaying human habitat (**people move out rodents, cockroaches, move in**). Slum lords loose property, no compensation, get **MS R6!**

Freehold land is private ownership land. Depriving community use of land for benefit of all. Freehold (**No Trespass**) denies usage of all beaches, of lake and river frontages, denies picnicking on golf course. 'Wealth Apartheid'. This Evil. It ends!

1 God created Planet Earth to be used and enjoyed equally by all People.

Freehold land and privately owned dwellings are insulting to **1 God**. **Freehold Ends !!!!!!!**

Must do !

All land is owned by a **Shire** (**Local Government**). Freehold land being stolen goods. A Shire pay no compensation when transferring title. Owner Occupier can stay in house until they want to move or die. Then the Shire takes control (**there is no estate for property**).

Investment property both land and buildings are taken control without compensation by the **Shire**. Investor is prosecuted for 'Crime against Community' **MS R6** Investment Property Ends!

Freehold Ends !!!!!!!

Globalization (is not part of humankind's Destiny)

1 God made it very clear globalization is not part of human Destiny. **1 God** believes in **7 Tribes**, with 7 main languages and many dialects, developing independently and separate (Map). **1 God** wants humans to **'Stop Globalization' !!!!!!!**

Should humankind fail to **'STOP'** globalization then **1 God** will act. Don't anger **1 God**! Heed **1 God's** warning: Pulverization of World Trade Center in New York, US credit crisis, City of London, Brexit, Pandemic... !

Globalization is part of the Chain of Evil. Globalization has been hijacked by parasitic predatory Greedy Profiteers to be used for their Pyramid selling marketing (**Free trade**) to keep profits growing until they run out of countries, resources. Free trade is globalization driven by multinational businesses exploiting labor, blackmailing and undermining government. Multinationals undermine a country's sovereignty. Leading to corruption, exploitation! Dismantle Multinationals confiscate assets without compensation and turn into local **CRON**.

Multinational's end! Free Trade Ends !

Greedy Profiteers have established propaganda organizations: G 20 (Greedy Twenty, main cause of pollution), G 8 (Greedy Eight), IMF (International Monetary Fund, global Loan sharks), WEF (World Economic Forum, Greed publicist), WTO (World Trade Organization cause of Wealth apartheid).. These organizations brainwash public that greed is good, profit is good and Globalization is the answer to all our problems. The reality is Globalization is used for cost cutting. By moving into countries that have a lower cost structure. Sacking people in one area and employing slave labor in another!

Lower costs are achieved by employing under age children in unhealthy unsafe working areas. They are underpaid underfed working long

hours without breaks, without holiday entitlements, without health benefits. Missing out on childhood experiences, playing, education. While Greedy Profiteers are laughing all the way to the bank praising their Idol 'Globalization'. **This Evil Ends!**

Where children are not available females (**another underclass**) are used. Females are treated often worse. While working under the same inhuman conditions as the children many females also have to provide sexual favors (**being Raped**). Many males are exploited but usually not as bad as children and females. **These Evil End!**

End Globalization support 7 independent Provinces: Africa, Amazonia, America, Europa, Mongolia, Oceania, Persindia. All International Waters end. They are divided between the 7 Provinces. This is the new normal.

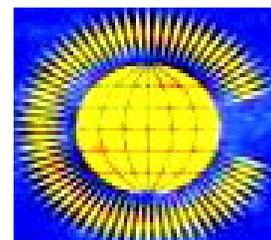

Must do !

All Global Organizations: Political, Military, commercial, sport, entertainment, are closed down. People migration Stops' (**no moving to other Provinces**). No holiday travel (**cruise ships, flying**), container ships, air freight to other Provinces.

No global Culture. Global Organizations: Commonwealth Nations (CN), FIFA (football), G20 (polluters), IMF (Loan sharks), Olympic (IOC), NATO (mercenaries), OPEC (polluters), UN (United Nations) ,.. are Anti 1 God. They are closed Down.

Commonwealth of Nations (CN) established by English pirates to plunder, spread: slavery, slave labor, injustices, cultural genocide, wealth apartheid, alcohol, smoking, gambling, shopping junkies, bad and corrupt law, capitalism, elitist sport, Church of England (**evil pagan cult**).

Today (CN) have puppet regimes (**governments**) that assist in plundering of their country for the benefit of the English Hereditary Tyrant . CN is dissolved, nations freed, their governments held accountable.

IOC runs a circus (**Olympics**), getting countries to waste billions on freak show entertainment. Entertainers strive for elitism using legal, illegal supplements becoming unnatural performing freaks. Olympics are Greed driven wasting scarce

resources that are needed to eliminate poverty. A horror sideshow has been added Paralympics here disabled are mocked. Shut the lot + **MS R6** IOC Venues are demolished, land is used more beneficial by the community's. All funding to Athletes' ends. Athletes are no roll models!

OPEC an Oil Cartel holding Humankind to ransom! The Cartel is dissolved and its members held accountable: **MS R6** Burning Oil Ends! Turning oil into plastic ends!

NATO the European Mercenary Army that serves US global bullying and exploitation. NATO kills civilians, destroys infrastructure and homes. It is dissolved, its War criminals and Insurgents are caged: **MS R7** NATO with its weapons of mass destruction: A (Atomic), B (bacteriological), C (chemical) is a main threat to human survival. It ends!

UN serves the self interest of the countries with veto right. These countries, are the biggest arms dealers denying humankind peace. The UN has failed humankind. It has not stopped:

Child-Labor Pornography, soldiering, working

Pollution Atmosphere, air, soil, Space, water

Tyranny Hereditary, political, credit, profit, wealth

Genocide Political, racial, religious, massacres

Addictions Alcohol, Drugs, Gambling, Obese, Shopping, Smoking

Profiteering Cartel, capital gain, monopoly, overprice, hedge

Slavery child, debt, adult, prostitution, underpaid work

Waste Disposable, junk production, over production, Packaging

Wealth-Apartheid Estate, In justice, Tax avoidance, Tax haven

The UN is dissolved! Humankind embraces the 'Law Giver Manifest'

Globalization undermines 1 **God's** design.

Globalization angers 1 **God!**

Globalization ends !!!!!!!

7 independent Provinces replace Globalization !

Shopping Center / Mall (the capitalist retailing system)

Shopping Center, Mall part of the capitalist retail marketing system of Greed, Profit, Waste and Pollution. Shopping Center, Mall encourage duplication. Duplication is meant to reduce prices, give better service, increase competition. **This Fantasy is a Capitalist Lie!**

3 **Supermarkets** selling almost the same products for the same price. 99% of prices are identical making competition a Fantasy. Duplication leads to waste of floor space. More floor space needs more furnishings installed. Uses more energy creating a need for more polluting power stations.. All this creates more 'Garbage', cost, 'Pollution'. Duplication is expensive making lower prices a Myth. Cost cutting, under staffed, poorly trained underpaid (**juniors, casuals**) staff result in poor or non existing 'Customer service'. Duplication Ends!

Shopping Center encourage a nocturnal Life style (**high energy use**) shopping when its dark. This is unhealthy therefore the '**Shire's**' impose a '**Night Curfew**'. Shopping Centers are expensive to built, maintain, consume a lot of energy, are wasteful duplication and create a lot of Garbage.

Franchises are under staffed and use poorly trained underpaid (**juniors, casuals**) staff. Franchising destroys local traditions, cuisine, culture, uniqueness and diversity. Protect your Community! Close all Franchises!

There is a better way: **CROn Retail Bazaar Complex (CRBC)**. Replace Shopping Center and Shopping Mall with **CRBC**.

CROn Retail model combines all retail needs, for Communal Cluster living, in 1 retail complex. CROn Retail replaces without duplication branches and all Franchise: Food, Cloth, Variety... CROn Retail replaces fast food clones with a Healthy Beverage Bar. Bazaar is retailing of home made products and preloved items.

Demand! CRBC! 0%

A **CRBC** is a 4 level (Ground level, Level 1, Level 2, Level 3, Solar panel roof) building.

Ground level: is Storage, goods in, goods out for retail, Bazaar.

Level 1: the **CROn Retail** area including Beverage Bar.

Level 2: the Bazaar, everything homemade, preloved.

Level 3: Office, workers break area.

1.3.7. Shire day Celebrations

A CRBC is next to '**SmeC**' (Shire medical education Complex). Both are surrounded by Communal Cluster Housing and Shire Work Chapels. All are part of a Shire Oasis!

Replace Shopping Centers and Shopping Malls with:

CROn Retail and Bazaar Complexes (CRBC).

Tax avoidance (Tax avoidance is a crime: MS R6)

Taxes are needed so Government may fulfill its obligation, expectations to its people. People who avoid paying taxes have no right to use: Public (education, health, parks, pension, roads, transport..) services.

Tax avoidance is stealing from the community a crime, **MS R6**.

Tax minimization is tax avoidance! Trusts are tax avoidance! Tax deductible donations are tax avoidance! Investors use freehold land for criminal tax avoidance (negative gearing). Tax avoidance is stealing from the community a crime! **MS R6**

Government that allow tax avoidance is replaced, charged: MS R6

Tax Piracy! Tax shelter countries are encouraging foreigners to plunder their home countries and deposit the loot in their Banks. Tax shelter countries are shut down. Their Banks and Government: **MS R6** A Tax shelter Government also has to compensate (punitive compensation, back taxes, expenses) the plundered countries.

Guilty are asset stripped and caged: **MS R6**

Zero Tolerance to Tax avoidance

Unearned (something gained not by merit, labor, service)

Unearned may be position, power or wealth individually or as a combination. Unearned position, power or wealth is a part of the immoral culture of the Chain of Evil.

Unearned is undeserving, anti social, not justifiable it is not tolerated by Communities.

Unearned Position: Hereditary, corrupt promotion or criminal activity individually or as combination.

Hereditary: Parents pass on position to children...

Corrupt promotion: Extended family or friends are promoted...

Criminal promotion: Promoted because of bullying, threats, violence..

Unearned Position is canceled, ends. Promoters get: **MS R6**

Unearned Power: Hereditary, corruption or other criminal activity individually or as combination.

Hereditary: Monarchy, Royalty, Political Tyrant, Dynasty,...

Corruption: Interest groups put a puppet in power...

All Unearned Wealth is confiscated,ends. Promoters get **MS R6**

Note! Above work benefits and elitist perks are not work related and are not to be paid by employers. Employees receiving any or all of the above benefits have them canceled.

Hereditary transfer of position, power, wealth includes transfer of 'guilt', debt. Predecessor, parents transfer their evil, crimes and guilt to the next generation. The current generation is accountable for previous generation. Custodian Guardian oppose hereditary transfer of position, power, wealth. C.G. support accountability for hereditary 'Guilt' and 'Debt' transfer.

Unearned is Undeserved is Unacceptable! It Ends!

Union (labor, labour, trade) represent elitist greedy workers.

Background: Hereditary Tyrannies used a class system to distribute the wealth of a Kingdom. Industrialization created 2 new classes, private ownership (parasitic, predatory, profiteers) relying on credit and workers without rights and protection: unhealthy, unsafe, dirty working conditions; long working hours, underpaid, no sick leave, no holiday, slave labor; child labor; part of female working conditions regular

filthy disgusting rape.

Hereditary Tyrants quickly made a deal with the entrepreneurs and industrialists (**parasitic, predatory, profiteers**). Royalty and Royalist would get insider information, kickbacks and preferential deals. The parasitic, predatory, profiteering private ownership Capitalist have no restrictions on how much they could exploit workers and other peasants. Royalist would enact Laws that would protect Greed, Exploitation, private ownership and oppress, criminalize workers. Injustice became the 'Rule of Law'. Twin Evil, Hereditary Tyranny and Capitalism became 1 big abomination of Evil, insulting **1 God !**

Hereditary Tyrants, Royalists and Private ownership became the most Evil form of Governance and economic application. Immoral, Unjust, Anti **1 God!** Hereditary Tyranny ends! Capitalism ends!

Workers and disgruntled Politicians replaced some Hereditary Tyrannies with Political Tyrannies. Royalists with Technocrats. Private ownership with State ownership. **Business monopoly (state, private) resulted in workers monopolies (tyrannies).** Political Tyranny ends!

Unions were established to create equality for workers. The reality is elitist university educated individuals who fake social justice devoid of work experience, members of the Capitalist system. Infiltrate on the sly unions. **Plunder members funds and misuse members loyalty for their own political ambitions. Unions use criminal behavior: black mail, intimidation, sabotage, violence,...** No Union Organizer or administrator can be part of any Government or Opposition.

Must do !

Private ownership, State ownership are abolished and replaced by '**CRon**'. State owned entity is converted to operate as a '**CRon**'. Private ownership entity is confiscated without compensation and is converted to a '**CRon(s)**'. Unions are deregistered. Government sets wages and conditions (**wmw**) annually. Being part of a **CRon** is being part of the community.

'C' community is a 'Shire'

'R' run by 'D-mC' (Decision making Committee of 7)

'O' owned by its workers paid **wmw** and volunteers

'n' not for profit (clients, customers are not taken advantage off)

For economic management, wages and conditions (**wmw**) are set annually by Provincial Government. For best economic management everyone's a wage earner (**wmw**). No more need for Unions.

University (College) corrupt elitist wasteful education.

Universities are arrogant corrupt elitist. They are used as shortcut to wealth and power. Corrupt 'Old Boys Network. Waste of community resources and time wasting by students! Undergraduates lacking work experience are overpaid.

Universities neglect scholar education to chase rankings. Which benefits Administrators, Professors (**overpaid under worked**),...

Ranking chasing results in bigger more campuses, in far away places. Campus has buildings big with a lot of empty spaces. Useless vanity large landscaped parks and gardens. This waste ends!

Ranking chasing results in creating useless degrees. Extending length of courses. Encouraging of useless Thesis writing. Handing out worthless (Dis) Honorable Degrees

Ranking chasing results in providing lavish expensive Entertainment (**Elitist Celebrity Sport, Theater**). Entertainers get scholarships. They qualify because of their muscle or entertainment value rather than the use of their brain. This ends !

Administrators, Professors, Teachers, don't attend campus more than 150 days a year, no more than 4 days a week, no more than 3.5 hours a day. Making them the laziest overpaid workers of any community.

For 1/2 a year students cannot study (**Administrators and Professors**

need leisure time). Doubling the time attending. Resulting in Scholars wasting their life. The community missing out on productivity.

1/2 a year holiday lead to boredom. Boredom leads to immorality (Alcohol, sex orgies, mind altering substance abuse...) and crime (Assault, Rape, Bullying, Vandalism..) Universities are the most likely place for a She to be sexually

assaulted, or sexual exploited. Biggest offenders are spoiled Rich offspring (arrogant, sleazy, lazy, obnoxious..) who usually get away with it. Crimes by University entertainers (sport..), administrators, professors are covered up. Shut University, hold accountable!

An undergraduate degree often consists of 24 subject modules and is ideally completed in 3 years. However subjects are not available or canceled. Extending studies by 1/2 or by 1 year. Wasting student life.

8 of the 24 subject modules are essential. The rest are not. Most of the subjects are out dated by the time they are applied years later. Resulting in re education. University Administrators are: student, life, time and wealth wasters, hold them accountable, MS R7 shut University (College) reuse as Shire work chapel, Free Education !!

Universities an elitist short cut to top positions. Ends! Custodian guardian Apprenticeship career path replaces it:

Apprenticeship > work experience > further studies > promotion by seniority > work experience > further studies > promotion by...

UCG education supports 'Learn and Teach' study method and 'Free Public education'. Provided in health, education complexes: Shire (SmeC), Province (PHeC, PDEc, CE) from unborn to cremation. Education is a collaboration between Parents, Educators
medics. It involves Free education, Free health and paid
Apprenticeships. **No Universities!!!**

University Campuses are recycled for Provincial and Shire Free Educa-
tion, Work Chapels.. University Vanity parks, gardens are recycled as

ucators are banned from Education, held accountable, MS R6**

Free Education a 1 God given Privilege !!

Charity (Fake)

Tax deductible Donations are Tax avoidance! Tax avoidance is
stealing from the Community! **Tax avoidance is a Crime: MS R6**

Charity that have Tax deductible donation status are **fake!** They are
tax avoidance schemes endorsed by corrupt Government for the bene-
fit of the have too much. **Don't donate to these! Donating to these is
not doing a good deed. It is dumb and irresponsible. Close down
Charity, confiscate assets. Replace Government, MS R6**

Charities that encourage credit card donations are
bad they support loan sharks. Putting people into
debt is immoral, evil, unacceptable for Charities. **End
these Charities, don't donate to them! Close down
credit card providers. Replace Government, MS R6**

Universe Custodian Guardians oppose tax deductible donations and
credit cards. They belief you donate because you are supportive, care.
Not because you are selfish. **Individuals should not use credit cards.
Put themselves into debt. It makes them bond slaves.**

1000's of years of Evil are coming to an End

**Initiators, members, supporters,
followers of the 'Chain of Evil'.**

Are held accountable. MS R6
