Sunscreen and Bug Spray Permission

I give permission to the staff at Nia Infant Toddler & Child Development Center to apply the sunscreen and bug spray I have provided to my child,

_____ prior to outside play for the prevention of sunburn/bug bites. I understand I am still responsible for sending my child with both already applied daily.

- All sunscreen or sun block should have a UVB and UVA protection of at least 15 or higher.
- It is recommended that insect repellent containing DEET should be used and applied only to children over the age of 2 months and no more than once a day.
- All sunscreen/sun block and insect repellent must be provided in the original container (please note, the use of aerosol cans are not allowed for safety purposes).
- All products require a valid expiration date, where applicable.
- Containers must be labeled clearly with the child’s full name.
