

## Programa de Arte

Contamos con un programa de arte único, impartido por el artista y artesano, Jose D. Velez. Este programa tiene como propósito principal el impartir al estudiante conocimiento y destrezas en la confección y reproducción de trabajos de arte en distintos medios, dotando al estudiante de mayores oportunidades para su futuro.

**ART Program:** We count with a great and unique art program, taught by the artist and artisans. This program's main purpose is to provide students with knowledge and skills in the areas of confection and reproducing art through different means, empowering students with greater opportunities for their future.

## Programa de Ajedrez

El aprendizaje del ajedrez presenta beneficios en todas las edades debido a que reúne características tales que favorece el ejercicio y desarrollo de las aptitudes mentales: concentración de la atención, memoria (asociativa, cognitiva, selectiva, visual), abstracción,

razonamiento y coordinación son sólo algunas de ellas.

Por todas esas razones, es que BCAT ofrece el Programa de Ajedrez, como electivo a sus estudiantes.

**Chess Program** - The learning of Chess presents benefits at all ages due to the fact that it reunites characteristics that favor the exercise and development of mental aptitudes: concentration, memory (associative, cognitive, selective, visual), abstraction, reasoning and coordination, are just some of them.

We provide affordable education through the following Scholarship Programs:

¡Construyendo Puentes Para la Excelencia!

Reignite the passion of learning with the newest learning management system from Alpha Omega Publications. Built exclusively for Christian schools, this comprehensive curriculum for students in grades 3 through 12 includes lessons in five core subject areas: Bible, language arts, math, science, and history and geography, with a diverse list of electives also available. Ignitia courses are not only rigorous and interactive, but provide instruction based on a Christian worldview, encouraging students to consider challenging questions from a biblical perspective. Courses include text-based lessons, assignments, quizzes, and tests that engage students while they learn. Optional external web links, interactive learning games, audio and video clips, and off-computer assignments help students develop the skills necessary for academic success in a media-rich environment. Ignitia addresses both short and long-term challenges faced by Christian educators as they integrate technology into their school environment. The intuitive, easy-to-use interface supports digital literacy with interactive lessons available online anytime. With Ignitia, Christian schools benefit from the latest digital technology available in the Christian market while holding true to traditional values founded on faith.

THE PASSION FOR EXCELLENCE

LIFEPAC is a full-color Christian school worktext curriculum with Bible-based content for grades K-12. Designed by a team of accomplished educators with years of classroom experience, LIFEPAC is based on mastery learning—

each student masters the content in each unit before progressing further. Ten LIFEPAC worktexts provide one year of learning content per grade level; individual worktexts can also be use as supplemental material. Or, teachers can mix and match subjects or grade level worktexts to personalize each student's curriculum content. Individual worktexts are consumable and take approximately 3 to 4 weeks to complete.

Students love this motivating Christian curriculum which gives them a sense of accomplishment as they complete each worktext! LIFEPAC worktexts include engaging lessons, activities, review questions, and tests. Scripture passages are integrated throughout worktexts to help students connect daily learning to biblical truth. LIFEPACs include independent projects and activities to help stimulate creativity and reinforce concepts. Teachers can also easily track progress with self-tests and teacher checkpoints.
