### APPLICATION PROCESS

Applicants will be required to write an essay of between 500 and 1000 words on the following topic:

***Americans often cite the nation's middle class and potential for upward mobility as great characteristics of our economy. However, inequality has increased dramatically. Wages for many middle or lower class Americans have been reduced or remain stagnant. Benefits have been significantly cut back or eliminated. Discuss how these trends have been the result of long-term business and political strategies by certain groups in America and how they might be reversed.***

Applicants may submit their completed application (application, essay, proof of enrollment, and transcript) via email to [applications@nercc.org](mailto:applications@nercc.org); or mailed to:
