

**Announcing a new product line of
Honeywell Central Vacuums**

A Cleaner Home. A More Comfortable Life.

A completely new designed Honeywell Cleaning Set that will offer the ultimate cleaning experience.

- **New Hoses** 1 1/2" diameter increased to 1 3/8" which will provide superior air flow and cleaning power
- **New Handle Design** provides a comfortable grip and full swivel capability to prevent kinks
- **New "D" shaped telescopic wand!** No external wires! A single touch button adjusts the wand to **5 positions**
- **New Quick Release Design** with a single touch allows for quick and easy attachment conversion
- tools for upholstery, hardwood/tile floors, crevices and much more
- 180-degree swivel head used to conveniently direct the power head for use in hard to reach places
- 14-inch wide deep cleaning brush with dual edge cleaning technology
- long-life headlight for dark corners and under furniture
- quilted hose sock on Elite Cleaning Set to assure protection for wall corners and furniture
- four electric cleaning sets to meet the needs for homes of all types and sizes

The powerful new steel Honeywell power unit is so reliable and durable, it comes with a 5-year limited warranty.

- **Superior Cleaning Performance.** New high powered air watt motors have up to 25% more cleaning power. This means it will remove more dust and allergens from the living area. The new product line up features single motor models from 500 to 630 air watts and cover up to 12,000 square feet of living space.
- **Superior Filtration.** All models continue to feature self-cleaning Triumph HEPA filtration.
- **Easier Installation.** Optional air intake allows flexibility when piping to power unit. "Speaker style" low volt connectors
- **Quiet operation.** Patented sound-reducing technology paired with an improved muffler make the new Honeywell power units quieter than ever before.
