

August 2019

Dear Friends,

God's blessing continues to be upon our lives and ministry. I am always amazed at what the Lord is able to do as we follow Him. I am encouraged as we have seen hundreds of officers attend our free lunches this year. They come on duty and we feed them and then present the gospel to them. Most of these men and women are not believers, but they continue to come, and we continue to sow the seed of the gospel.

God is working in hearts and the Lord has given us favor with these officers. It is a great joy to see them thank us each time for ministering to them and showing them love by offering them free meals.

Our outreach to the Denver police is being blessed by the Lord and we are seeing it grow each month. We started in June with a few officers and staff as seen in the photo and by August we had a good group of officers come. Officers are coming who need the Lord. Pray that as we share the gospel with them, we will see fruit that remains. It is a great blessing to minister to these people who are an important part of our society.

We started an outreach to the Denver Police in June with this small group of officers and some of our staff.

We now have 5 outreaches each month in Colorado as well as our outreach breakfast in New Jersey. God has burdened my heart to begin other outreaches in the USA. I have been praying about Chicago and other cities. I will be in Chicago in January and meeting with police officers there. Please pray with me that God will open these doors and give us an effective ministry to law enforcement officers in the USA.

We continue to be invited to work in Latin America with the police. Pray that God will help us to know which countries to go to in the months to come. The need is great everywhere.

We have a great staff of active and retired law enforcement officers and their spouses. I am grateful to be able to work with these faithful followers of Jesus. Thank you for your prayers and support that enable us to continue in this ministry. God bless you.

Sincerely,

Randy Green
