

## 2017 Eagle Landing Election Ballot

**Voting Instructions:** Again this year we are issuing each owner a security code for each unit owned. These personal codes are randomly generated with no duplicates in an effort to guarantee anonymity. Lynne Arterberry has volunteered to lead the election committee in counting the votes but she will not know who submitted the votes if you use your security code PIN that is included on this page. Lynne is not associated with any of the candidates. Only the Communications Chair, Dan Case, will have access to the personal voting codes and is not part of the election process. If you misplace or forget your code(s), call or text Dan at 214-517-8449. Each code can be used only once and is different than the code from last year. Codes are not transferrable and can only be used by the person for whom they were intended.

You may submit your votes as soon as you wish at [www.eaglelanding.org](http://www.eaglelanding.org) or by mailing in this ballot. Online voting will be available at the HOA meeting, as well. You may also bring this ballot with you to the meeting. All ballots must be received by the elections committee before 12 PM, May 6, 2017 in order to be counted.

If mailed, to preserve your anonymity, do not include your name on the return portion of your envelope or anywhere on this ballot. Mail to: Eagle Landing Election Committee, 18 County Road 1598, Avinger, Tx 75630. All mailed ballots must be received by May 4, 2017 to be counted.
