Update on kitchen renovations. Many obstacles have arisen in the renovations of our kitchen and require necessary repairs and upgrading. Two years ago, this project was estimated to cost \$25,000.00. Now with such a shortage of contractors, builders, plumbers, electricians, etc., along with the ever-increasing cost of labor and supplies, this project is costing us upwards to \$45,000.00 of which we have no control. We anticipate this project should be completed in the next three to five weeks, at which time, we should get back to a new normal. We apologize for any and all inconveniences that this has caused, including lack of washroom facilities. We are counting on everyone to be as generous as you can to help us recoup at least some of these major expenses. Special envelopes are dedicated for this project. Thank you for your support and generosity.

Thank
You

EASTER TRIDIUM AND EASTER SUNDAY
