ANNUAL MEETING NOTICE-SUNDAY JUNE 26, 2022 Farmington River Regional School-Rt. 8

Hello all,

I hope everyone had a safe and healthy winter. Well, it *finally* feels like life is getting back to normal, let's hope it continues.

Our winter was a fairly mild one, which helped in closing the gates on March 18th. Quite a bit earlier than previous years, and ice-out was March 25th. The lake is already up over a foot, which is on track from last years records...it's in Mother Nature's hands now!

At this time of year we ask that each family join the ORPOA so we may continue to help maintain and monitor our lake. The dues are \$20.00 per year/per family, and they pay for the annual water testing, membership in the Lakes and Ponds Association, donations to all our public safety organizations, and it helps in sponsoring the Fireworks Display.

The Annual ORPOA meeting will take place on Sunday, June 26th, at 10am at the Farmington River Regional School on Rt. 8. Updates will be on our website and Facebook page, as we get closer to June. The officers and board of directors will be introduced and elected. Other business will be discussed with an open mic for any questions concerning the lake. Once again, I encourage members to reach out to our younger generation to attend this meeting. The future of this reservoir is in their hands.

Our 20th Annual Fireworks Display will be held on Saturday, July 9th with a rain date of July 16th. Yes, it's been 20 years, and Berkshire Fireworks will provide us with a show worthy of this milestone. The Fireworks weekend brings vital revenue to our town, and our businesses. With your donations, we hope to continue this tradition for years to come.

Please fill out the attached slip and return with your \$20.00 dues and Fireworks donation. For more information, visit our website: otisreservoirpropertyowners.com and Like Us on Facebook at ORPOA Otis Reservoir.

I'm hopeful we will see you all at the meeting!
