Construction Industry Workforce Initiative (CIWI): Working With District 10 Young Adults
To Provide Internship And Opportunities In Real Estate Development And Construction

By Monica Wilson

The goal has always been to create opportunities for students interested in the careers of Developers, and professional side of construction so now we reached our 2014 program positions. The growth has been slow, steady, and sustainable. We have also focused on the programs infrastructure to thrive unopposed. Lack a champion and evil shall not people—that no good cause shall
