

Visitor's Pass

You and family members with the same permanent address are invited to be guest at the pool for a day. This way you can see firsthand how the pool operates and have some time to mingle with the other members. If this is of interest to you, please call the pool and speak with one of the board members and he or she will be glad to set this up for you.

or $\frac{1}{2}$ mile off Hwy 55

Purpose

Angier Recreational Club, Inc. (i.e. Angier Pool) began in 1966. Its purpose is to offer residents of Angier and the surrounding areas a family friendly community pool. It is a private club where memberships are limited and rules are enforced to ensure a safe and enjoyable environment for everyone

Schedule and Activities

The Angier Pool is open from Memorial Day weekend to Labor Day. Members enjoy long pool hours, seven days a week. During operating hours, weather permitting, every hour there will be 50 minutes for general swim and 10 minutes for adult swim. The specific hours of operation are posted on the website. Friday, Saturday, and Sunday evenings are available for members to reserve the pool for private pool parties. Swimming lessons are also offered several times during the summer. As a member of the pool, you will receive reduced prices for swimming lessons.

Lifeguards

The lifeguards at the Angier Pool are all Red Cross certified and CPR certified. There is also a CPO (certified pool operator) on staff on the board, ensuring the cleanliness and correct operation of the pool. The lifeguards uphold high safety standards in and around the pool. All rules are posted and must be followed. The guards also follow the Red Cross procedures for weather conditions such as extreme heat, thunder and lightning

Board of Directors

There are nine elected board of directors who volunteer to manage the pool. David, Chris, Lucy, Carol, Clay, Kelly, Billy, Scott, and Candice. Please feel free to contact any member of the board with further questions.

Memberships

There are three methods to obtain a membership at the Angier Pool. One way is to buy and pay for the membership in full, directly from the pool. A designated board member can help you with your transaction. Another way is to buy the membership directly from the pool from the pool and pay for it over the course of three years. With this method, in addition to the membership fee, there will be a minimal service charge of \$10 each year. When buying a membership from the pool you must pay with check or money order. No cash will be accepted. The third way to obtain a membership is to buy it from a member who is selling their membership. Before the pool can accept any agreement of this type, the buyer of the membership and the seller of the certificate must work with the designated board member to coordinate the transaction and certificate must be current in payment and in good standing with the pool.

Your membership fee is a onetime total amount whether you pay for it all up front or you take three years to pay for it. Member dues are billed and due every summer whether you use the pool facilities or not.

2017

Certificate Values are \$350
2017 Dues are \$360 (until May 29)

Summer Dues

The Angier Pool is funded only by the money collected from the members and users of the pool. It is a private organization therefore there is no supplemental or governmental funding. As a member, you are responsible for paying your summer dues on time. Dues must be paid with a check or money order. No cash will be accepted. Notice of summer dues are posted with information announcing the yearly meeting in May and postcards are mailed. When your dues are paid in full, your immediate family members are put on the pool card, allowing you access to the facility. Cards are required at the pool. Lifeguards control the use of the facility and may check to see if you have your card. Members may bring guests. There is a \$5 daily fee for each guest over the age of 2, who live within a 30 mile radius of the pool.

Annual Meeting

Yearly members' meeting is held the first Monday of May. All members are encouraged to attend. Important information is covered and elections take place at this meeting. Notice is given at least two weeks prior or before.
