

Hello Everyone,

Preparations for the 2019 Semper Fi Fund All Steel Benefit Match are well underway and it will be here before you know it.

The Semper Fi Fund is dedicated to providing immediate financial assistance and lifetime support to combat wounded, critically ill and catastrophically injured members of all branches of the U.S. Armed Forces and their families. Semper Fi delivers the resources they need during recovery and transition back to their communities, working to ensure no one is left behind. Since beginning this critical service to our veterans, Semper Fi Fund has consistently operated on just 6% of the donations given, meaning that 94 cents of every dollar donated goes directly to care for the injured veteran and their families. This is the highest of any charity organization in the world.

This year we are raising the bar and have made a few changes to the course of fire. We are using modified versions of Steel Challenge stages and incorporated stages from ISSA that will prove adventuresome for both master and novice alike.

The match is being held May 24th and 25th. As usual the staff will shoot Friday and competitors on Saturday. Lunch will be provided for the main match. The cost is \$55 for one gun and \$15 for the second which must be a rim fire.

Finally, we have several staff positions open and if you want to fill a slot, please contact Rick Davis at 406-461-4862 or rtedavis@bresnan.net for more details.
