The City Wide Cleanup Day has been changed to October 21st. All junk items can be disposed of, **free of charge**, by taking it to Cooley Sanitation at 307 Main Street from 8:00 a.m. – 1:00 p.m. No tires, liquids, yard waste, garbage, batteries or construction project materials will be accepted. White goods, such as washers, dryers, A/C's, stoves, refrigerators, freezers, water heaters, water softeners, dehumidifiers, furnaces, dish washers, light ballasts, microwaves, and humidifiers, will require a disposal fee of

\$10 per unit. Monitors, printers, and copiers will require a \$1 disposal fee. If you are unable to get your junk items to Cooley's, they will pick your items up for a \$20 fee as long as they are placed outside of the house. This is a great time to get rid of unsightly junk that may have accumulated around our homes or back yards. City officials and residents really do appreciate you taking pride in your neighborhood. Please utilize this service to help ensure that the city is maintained in a

Remember to support your local businesses this holiday season. Our local businesses are generous in supporting community events and fundraisers. Businesses need the same support of the community to remain viable. Also, a portion of all money spent in Reinbeck is returned to Reinbeck, and shopping locally is good for our town. It's a win-win situation! Shop on Small Business Saturday, November 25th in Reinbeck!

GIVING TUESDAY

Giving Tuesday falls on November 28th this year. This is a national event celebrated on the Tuesday following Thanksgiving and the widely recognized shopping events Black Friday, Small Business Saturday and Cyber Monday. Giving Tuesday kicks off the charitable season when many fo-

cus on their holiday and end-of-year giving. One of the best ways to get involved is in your own community. Please consider making a donation to the City on Giving Tuesday so that more projects can be accomplished in 2018. Your donations are tax deductible.

You, the citizens of Reinbeck, are a vital part of making this a GREAT city and a GREAT place to live. If we all work together we can make it even better! Keep up the good work.

A MESSAGE FROM THE MAYOR PRO-TEM

To All Citizens:

I would like to thank the citizens of Reinbeck for the support I received during my 12 years on city council. When I began my term in 2005 the sewer plant was just at its completion. Since then, many things have been accomplished in Reinbeck. The new swimming pool, addition of "the Elms", Southridge 2nd addition housing development, renovation of the Memorial Building, numerous improvements to Elmwood Park, painted Main Street light poles & new banners, ADA compliant crosswalks downtown, and many new small businesses have started and continue to thrive. These are just a few of the accomplishments I can think of and am sure there are a lot more. With all this being said, I have decided not to run for re-election in November. Sometimes a person knows when enough is enough. I think it's time for new blood, a new perspective into how the city is run. I will continue to attend council meetings and support the council as I should. I would ask all of you to do the same and, if you can find time to attend council meetings, please do so. In closing, I will say that some of my decisions may not have been to all of the citizens liking, but I always did what I thought was the best for Reinbeck and the people living in it. That is what you are elected to do. Again, thanks for the support you have shown me over the years.

CITY ORDINANCES TO REMEMBER

LEAVES – Leaves may NOT be raked into the street as they clog the storm sewers.

SNOW ORDINANCE REMINDERS

So that the streets can be plowed, no person shall park, abandon or leave unattended any vehicle on any public street, alley or City-owned off-street parking area between the hours of 2:00 a.m. and 6:00 a.m. during the months of November, December, January, February and March. It is the responsibility of the abutting property owners to remove snow, ice, and accumulations promptly from sidewalks. It is unlawful for any person to throw, push, or place any ice or snow from private property, sidewalks, or driveways onto the street. You will be charged if the city must go back and clean up in front of your property due to pushing snow in the street after plows have cleared the street. Thank you for your cooperation in allowing the city streets and alleys to get cleared in a timely manner.

TREES - Property owners shall keep trees trimmed so that all branches will be at least twelve (12) feet above the surface of the street and eight (8) feet above the sidewalks. These requirements allow residents to utilize the sidewalks safely and allow for garbage trucks and other service vehicles to utilize the streets without damage to their vehicles or injury to their employees. The homeowner will be charged if the city trims the branches. Fall is a good time to make sure your trees are in compliance.
