

Welcome!

POB Top 100

POB Top 100

We Have Two Objectives ...

Questionnaire Objective:

- A top-down ranking of the top 100 firms in terms of revenue in the geospatial space.

Questionnaire Objectives:

- A top-down ranking of the top 100 firms in terms of revenue in the geospatial space.
- To capture an accurate, honest snapshot of who is working in this space, big or small.

Who is Doing What in Geospatial?

Who is Doing What in Geospatial?

- What Services Do You Provide?

Who is Doing What in Geospatial?

- What Services Do You Provide?
- What Licenses Do Your Employees Have?

Who is Doing What in Geospatial?

- What Services Do You Provide?
- What Licenses Do Your Employees Have?
- What Types of Equipment Do You Own?

Who is Doing What in Geospatial?

- What Services Do You Provide?
- What Licenses Do Your Employees Have?
- What Types of Equipment Do You Own?
- What Types of Equipment Will You Buy?

Who is Doing What in Geospatial?

- What Percentage of Total Revenue?

Who is Doing What in Geospatial?

- What Percentage of Total Revenue?
- Within That, Which Types of Work?

Who is Doing What in Geospatial?

- What Percentage of Total Revenue?
- Within That, Which Types of Work?
- Where Are You Working Now Geographically?

Who is Doing What in Geospatial?

- What Percentage of Total Revenue?
- Within That, Which Types of Work?
- Where Are You Working Now Geographically?
- Where Will You Be Working In Five Years?
