

Express Yourself!

Students will learn to express themselves in fun ways using art as their guide. We'll draw, paint, cut, paste and play in this engaging class where kids will focus in on their feelings, reflect on what makes them unique and explore the many ways that they can share their uniqueness with the world. It's a brand new class featuring new lessons. This class will be excellent for kids of all levels of ability as we focus on the process of art making and the joy of being in a creative mindset.
