SECTION 1407

August 2016 Newsletter

We hope you are able to JOIN US ON **SUNDAY August 28th**, 2016 in the Dickey Room at Dickey-Stephens Park, North Little Rock for our Family Picnic and first Member Meeting of the 2016/2017 year. Our guest speaker is Terri Conder-Johnson, Executive Director of the Arkansas Sports Hall of Fame. The meeting will begin at 5:15 PM so that we can complete the presentation prior to the beginning of the game. An all you can eat buffet featuring hamburgers, hot dogs, baked beans, chips and more will be provided from 6:00 PM until 8:00 PM and is included in the \$6 per person price of admission (for members/guests or \$16.50 per person for non-members). Please contact Cathy Webb at cwebb@harborenv.com by close of business on Wednesday, August 10th so we can give the ball park a final head count for the food and game tickets.

Topic: The Induction Process for the Arkansas Sports Hall of Fame

About the Speaker:

Terri Conder-Johnson, is a former star for the University of Central Arkansas Sugar Bear basketball program and is herself a 2005 inductee into the Arkansas Sports Hall of Fame. She became Executive Director of the ASHOF in November of 2015 after serving for several years as a finance officer for American Management Corporation in Conway.

Don't miss out!

July 2016 Tour

Caterpillar

If you missed the July Tour, you missed a really great afternoon touring the Caterpillar Motor Grader Assembly Plant in North Little Rock. Sixteen members and guests took part in the tour that included several examples of the Caterpillar Quality System and ways they deal with continuous quality improvement and use Six Sigma within their facility and throughout the company. The presentation also included about a mile walk through the facility moving through each step of the assembly process. It was a great tour! Section 1407 would like to thank our tour guide, Candice Lawrence for a great afternoon. We would also like to thank Section Education Chair Connie Satzler for her work setting up this tour for us. Great Job Connie!
