Wattle Tree Family Day Care Services.

We offer affordable, high standard Home Based Care in the City of Casey and around the South Eastern Suburbs. Qualified Early Childhood Educators holding a minimum Certificate III in Children's Services.

And December is here. The end of the year has finally reached us, there has been lots of activity around, excursions/incursions, parties, gatherings and more parties. We all agree that although we get tired we still enjoyed it very much.

The big amount of craft work done by all, children, educators and staff has been fun, inspiring and creatively representing the holidays season. We are very proud of the different approach taken by some educators to celebrate the season to include all families in the fun.

These past two weeks Coordination Unit staff has been involved in water balloons battles and, rainbow days where all of us ended either wet from head to toes or covered in coloured dust, all part of the end of year celebrations, the children loved it. So much fun, keep up the good work everyone and thank you for inviting us as well, we loved it too.

November-December on review. We have been working on our Quality Improvement Plan (QIP), we have put out some surveys for educators, children, families and admins. We have been reviewing some of our policies and procedures as well, some changes have been made to our SunSmart and Enrolment policies, by now everyone should have their new copy.

As discussed with all of you before, we are still doing our research in regard to the apps used for documentation, there are two that have caught our attention and we are trying them out ourselves at the moment, we will keep you informed. Our target is to stay (if possible) paper free.

The Educators will continue using the usual apps to share photos and art work with the families.

We thank the families that are embracing our quest for sustainability across the service and we thank everyone for the ideas and support given.

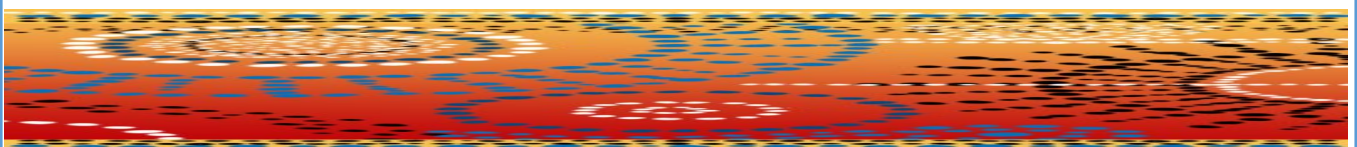

To all our Wattle Tree community, just be vigilant and never leave children alone in cars no even for a “minute”, temperature can be 20 to 30 degrees hotter than outside.

A reminder, the office will be closed from Friday 23rd to Tuesday the 3rd of January, the emergency phone will still be on throughout this time.

We wish to all our Wattle Tree Family Day Care community a very

Merry Christmas and a Happy 2017!!!!

Wattle Tree FDC is committed to a Sustainable Environment for our children please consider the environment before printing this Newsletter.

We acknowledge that we are on the traditional land of the Bunurong and Wurundjeri People and pay respect to all elders past and present.
