She also notified everyone that 719 books were purchased and put back into classrooms from Book Fair. Book Fair also raised \$4500 for the Education Support Fund.

Mrs. Wetzler stated that the water fill stations have been delivered to campus. The first install will be within the week. After the first one is installed they will continue to schedule each one separately.

She reminded everyone to sign up for Remind.com if you have not done so already.

Officer Michelle Mitchell:

Officer Mitchell introduced herself as our SRO at Copper Ridge. Her role is to keep students safe at school. If you have any questions or concerns you may visit her at school.

NJHS:

Mrs. Boepple, who is the National Junior Honor's Society Advisor at Copper Ridge, gave information regarding NJHS membership. In 7th Grade, a student becomes eligible to apply for NJHS membership. A student must have 3.85 GPA throughout 7th grade school year to be accepted. This means a student must have straight A's or all A's and only 1 B to equate to a 3.85 GPA. The student must fill out an application in third quarter if they meet the GPA requirement. If the student is accepted, they will be members of NJHS throughout their 8th grade school year. NJHS teaches leadership skills and civil responsibility to students. Students complete 30 hours of community service and are involved in various projects throughout the school year. This week, NJHS is spearheading a food drive and will be collecting 1 can of food per child attending the carnival at the entrance to the carnival.

Dean of Students:

Amanda Rand stated that we are still waiting for the video from District regarding the drop off and pick up procedures.

She spoke about our ELA students being recognized at the Board meeting for their exceptional work for their Hurricane Relief Fund projects. Congratulations to those students!

Volunteer Update:

Kay Rodgers is asking for volunteers for our carnival this Friday, October 20th. Volunteers help keep our kids safe by monitoring rides and monitoring gates. Please consider volunteering on the Sign-Up Genius.

Carnival Update:

Andrea Behmer and Jen Kubitz spoke about the Copper Ridge Fall Carnival on Friday, October 20th from 5-8 pm. Wrist bands and raffle tickets for the baskets are on sale all week at the back of the school before and after school. Pre-sale wrist bands are \$20 per child and raffle tickets are \$1 or 25 for \$20. Wristbands are also sold at the entrance to the carnival for \$25 each. There are new food vendors and new rides this year.

Please be sure to write your name and phone number on each raffle ticket. If you win a basket it may be picked up that night or anytime through Tuesday. Baskets that are not claimed by Tuesday will be donated to Children's Hospital.
Please bring a can of food per child attending the carnival to donate to the NJHS food drive.

Kendra Scott Shopping Event:

Andrea Behmer spoke about the Kendra Scott shopping event at Scottsdale Quarter on November 9th from 11:00 am to 2:00 pm.

Box Tops:

There is a box tops contest for K-5th that ends on October 25th. The class with the most box tops wins a lollipop party. Please make sure to write your child's teacher's name on the box top.
