# Summer Camp

5000 Years of Fun and Learning in One Week!

## We Make Summer Review Fun!

**CACC Summer Camp offers an optional enrichment module designed especially for Chinese Language Immersion Students by Immersion Teachers.**

Our Immersion Enrichment Module delivers effective and intensive language learning in an immersion classroom environment. Our curriculum is tailored to help review and enhance your child's Chinese language speaking, listening, reading, and writing skills. Our enrichment instructors are professional Chinese Language Immersion teachers who teach in regional public/private schools during the academic year.

**For Students entering:  
Grades 2 - 5**  
who have also completed *at least one year* of a Chinese language immersion program.

**How it works:** CACC's Summer Immersion Enrichment Module is an optional add-on, 4-morning, camp module that works in conjunction with our standard camp program.

From 9:30 a.m. to 11:45 a.m., enrichment campers will attend special immersion classes dedicated to language lessons. Afterwards, enrichment campers will join in on the camp's regularly- scheduled lunch break and afternoon camp activities.

Enrichment classes will take place on Monday, Tuesday, Thursday, and Friday mornings. On Wednesday, enrichment campers will participate in the camp's field trip.

**CACC's Summer Camp Immersion Enrichment Module offers:**

- Small Class Size - maximum 12 campers per class
- Extended Classroom Language Lessons (2+ hours per day)
- Classes taught by Professional Immersion Teachers

**Cost: \$75.00 (Enrichment Module fee) + base camp tuition**

The \$75.00 fee for the Enrichment Module is a CACC Summer Camp add-on fee. Camper must be enrolled in CACC's Summer Camp base program to participate in the Enrichment Module. Payment for only the Enrichment Module is not permitted. Likewise, campers who do not enroll in the Enrichment Module will not be permitted to attend Enrichment Module classes. CACC's Enrichment Module program requires a minimum registrants per week and may be subjected to cancellation due to low enrollment numbers.
