

Dear Brethren,

We know you were excited to be a part of the Jubilee ACL celebration that was scheduled for July 12-15, 2020, at the Jamaica Pegasus Hotel. However, because world health authorities have determined that social distancing reduces the risk of spreading or contracting the COVID-19 virus, the Regional Organizing Committee has decided to postpone the fiftieth anniversary of the Annual Caribbean Lectureship until next year.

It is our collective view that these developments present too much of a threat to life, health and the quality of the Jubilee ACL celebration that we envision and have been working hard to achieve. We understand your disappointment; however, to us, your safety comes first.

We deeply apologize as we know that this will be an inconvenience and loss to you who have purchased airline tickets and booked hotels for the event this year. We encourage you to check with your respective airline, many of whom are allowing re-bookings without additional charges. We are working with the Jamaica Pegasus to plan for re-bookings.

The 50th Annual Caribbean Lectureship has been rescheduled for July 11-14, 2021 at the same venue, the Jamaica Pegasus Hotel. We look forward to your attendance at the rescheduled event.

May God bless you always.

For the Regional Organizing Committee

Carmen Jarvis
