

NPUnited Travel Soccer

11U-12U

NPUnited has entered into a strategic partnership with another area club, USF Real, to base 11U and 12U travel soccer teams in New Palestine, Indiana. Our teams practice and play home games in New Palestine under the USF Real banner. We play similar aged teams from clubs in Indiana participating in the Indiana Soccer League (ISL). The amount of travel is dependent on the division the team registers in and at this age group we will try to register in a division that limits travel to central Indiana.

Practice: 2 nights per week with team's coach and technical training 1 night every other week.

Games: 8-10 regular season games, plus a weekend tournament, and a couple "friendly" practice games scheduled by the coach. ISL limits game day roster size to 16 players (11-12U).

Coaches: USF Real normally requires travel coaches be certified with the State "E" license or higher to provide the highest level of training to your child and all must pass a thorough background check for your child's safety.

Cost: Fees cover team and player registrations with ISL, referee fees, tournament registrations, technical training and winter sessions.

- Several billing options are available
- Uniforms: Uniforms are not included in the price of registration. Please see attached information regarding uniform information.

Additional information about the program can be found on the next pages.

Fall practices will start in late July.

NPUnted Travel Soccer FAQs

11U-12U

NPUnted has entered into a strategic partnership with another area club, USF Real, to base 11U and 12U travel soccer teams in New Palestine, Indiana. Our teams practice and play home games in New Palestine under the USF Real banner. We play similar aged teams from clubs in Indiana participating in the Indiana Soccer League (ISL). The amount of travel is dependent on the division the team registers in and at this age group we will try to register in a division that limits travel to central Indiana.

What are our Overall Objectives?

- Focus on development of the players
- Instill lasting technical skills and introduce tactics
- Utilize small sided play (11-12U) to expand creativity, ball mastery & field awareness; challenging players to play more “creatively” & “instinctively”, with & without the ball

What if my child can only play in the Fall or Spring?

- The league has taken this into consideration and while you are registered for a full year (per ISL rules), you only pay for the season in which your child plays.
- Due to league roster limitations we will need to consider the commitment to ensure that full teams can be fielded for both seasons
- Winter training is included with any commitment to play
- See fee schedule for details

Is my child ready for travel soccer?

- Players will be receiving advanced technical training and need to be physically able to perform tasks and have the ability to comprehend given instructions.
- Our goal is to develop player's skills in a positive and fun environment, disruptive and disrespectful behavior toward anyone at the soccer fields will not be tolerated.

What do we expect from the players?

- Players are expected to participate with a positive attitude.
- Players are expected to respect the coaches by listening when they are talking, by doing what is asked of you and by working hard.
- Players are expected to respect their teammates and opponents, displaying good sportsmanship at all times.

What can you expect from the coaches?

- Patient – communicate in a way so that all players understand what is expected
- Positive – instruct and encourage players to do their personal best
- Knowledgeable – obtain a minimum E license and promote the clubs development goals
- Have an open door policy for the parents – create a positive experience for everyone

What do we expect from the parents?

- Cheer for your child & their teammates
- Support your child by encouraging them to listen to their coaches
- Don't - interrupt practice or games, coach from the sideline or talk negatively about the referee, other players, parents or coaches, etc.

What is winter training?

- The league rents a local facility for indoor practice over the winter months to keep the players active. Attendance is not mandatory, but is recommended.

What league do we play in?

- ISL <http://www.soccerindiana.org>

Is there out of state travel?

- No

What other costs are involved beside the registration fee?

- Standard personal equipment: cleats, shin guards, ball, water
- Team items: home and away jersey kits (all players must match)
 - Trying to keep jersey cost to around \$150 and will be able to use for multiple years.
