

Miss Leah's Dance Newsletter

This month...

We are establishing class routine and getting a feel for what to expect as the year progresses. We are learning new things and/or refreshing our memories from last year. We will spend this month and most of next month working on memorizing short "warm-up" dances and mastering skills that will be used in our recital dances.

October 24th we will have a Halloween party! The kids can wear their costumes and bring prepackaged treats/party favors to share with the class.

Please let me know if your child will miss class for any reason. It is much more likely for me to be able to check my email while I am at work, than check the TAP Facebook page. leahdoyl@gmail.com

Please be sure your child has proper dance shoes and attire for class. No bare feet or socks! This includes pink ballet shoes for ballet, black jazz shoes for hip hop, and black tap shoes for tap.

Keep in mind...

- Please use the bathroom before coming to class
- Come to class on time with hair pulled back, wearing proper dance shoes and attire
- If your child is ill, please keep them home
- Email me if your child will be missing class for any reason
- Join the T.A.P. Facebook group for updates and information

October 2024

Important Dates

October 24- Halloween party
