Promoting interest in wildlife and fostering the cause of
conservation with emphasis on birds and their habitat

November 13, 2018

Venice Area Beautification, Inc.
Attn: Greg Vine
257 N. Tamiami Trail,
Venice FL 34285

Dear Greg,

Venice Area Audubon Society is pleased to endorse VABI's Urban Forest Project along with a donation of \$1,000.

We commend your commitment to create a forest with many micro-habitats using native plants. And we are excited that your goal is not only to create a refuge for local wildlife but also a waystation for our neotropical migratory birds.

We wish you great success in this endeavor.

Regards,

Brenda Bossman
President,
Venice Area Audubon Society, Inc.
