

IRS

Notice 1450

IRS notices are now available to view and download at [IRS.gov/ account](https://www.irs.gov/account)

View and download certain IRS notices immediately in your online account within the Notices and Letters tab. You will continue to receive notices by mail.

Eleven notices are currently available through your online account. Additional notices will be added in the future.

If you've used IRS online services before, login with your username and password. If you haven't previously registered for an online account, sign up at [IRS.gov/account](https://www.irs.gov/account).

To register and access your account, you will need:

- A mobile phone or device that can receive a security code SMS text to login after completing registration. Secure Access uses two-factor authentication. You'll need your username, password and your security text to access your account.
- A financial account number linked to your name, such as
 - Last 8 digits of Visa, Mastercard, or Discover credit card (we can't verify debit cards, corporate cards, American Express, Barclays, or some cards issued by banks in U.S. territories) or

(Continued on back)

- Student loan (we can't verify student loans issued by Nelnet) or
- Mortgage or home equity loan or
- Home equity line of credit or
- Auto loan

With an online account you can also:

View Your Balance

- View your total balance due and a breakdown of the amount owed by tax year.

Payment Plans

- Learn about payment plan options and apply for a new payment plan.
- View payment plan details.

Make and View Payments

- Make a payment from your bank account or by debit/credit card.
- View 5 years of payment history and any pending or scheduled payments.

Access Tax Records

- View key data from your most recent tax return and access additional records via Get Transcript.
- View your economic impact payment amounts.
