A WARM WELCOME FOR ALL

Welcome to the Willette church of Christ, where you will find the Bible as our only rule for faith and practice. We seek to speak where the Bible speaks and to be silent where the Bible is silent. We want to call Bible things by Bible names and do Bible things in Bible ways.

Tidings from Timothy

Life is not fair. We don't always get what we want. These words should resound in the ears of my children all the days of their lives. I said it enough to them. There are things we need to know about this life that will help us accept the gospel and our own condition in life. I know I get frustrated with what goes on with me, the world, really anything around me. Some people get depressed at their condition, some get angry, we all need to learn how to exercise temperance and direct our actions to be a good Christian example. The title of the lesson this morning is "Life is not fair, but it is good." I hope we can learn a lot from the Scriptures presented.

We are a Bible centered, mission minded, and family oriented church. Thank you for coming, and please return at every opportunity.

ANNOUNCEMENTS

- Welcome, visitors! Please give us time to greet you and get to know you better!
- Are you keeping your children engaged in Bible Study? Are you keeping their body and mind active?
- Is there a visitor today? Greet them appropriately! Visitor cards are on the table out front and on back tract rack.
- Benevolence needs:* We should have some more room now to receive items at the BB. See Dean Rush for details.
- Visitation **team 2** is on call for cards this week. Stamps are provided.

The gospel, as we know, is the power God chose to employ in saving man from sin (Rom. 1:16). Contained within the gospel itself is the good news of the death, burial and resurrection of Jesus from the dead (1 Cor. 15:1-4). Included within that message is a ray of hope shining through what one may judge to be a dark time (Eph. 1:10). If one was to ask random individuals off the street what a popular verse is, the responses may be broad-reaching. One of the more popular verses may be John 3:16. Let us now embark on a journey to find the gospel within John 3:16.

The first element at which we arrive is God. As we know, God has been around since before this world was conceived. God was around when the earth was “without form and void” (Gen. 1:2). Did this in any way affect Him? No, for God is not affected by things of the physical world. It was the writer of Revelation who boldly made known that Jesus, who is God, possesses the same attribute (Rev. 1:8, 11). In discussing God, we know that God did something that none of us could ever do for ourselves. It was this response that showed us how we are to love all men (1 John 4:7-8).

The second element for consideration is “that he gave his only begotten son.” We could never have been the sacrificial lamb, for many in days before the cross were separated from God because of their sins (Isa. 59:1-2). In readiness for this situation, God planned to send down the Second member of the Godhead to take upon Himself flesh and be the One to take away the sins of the world (John 1:14, 29). God truly demonstrated His love in allowing the Christ to die (Rom. 5:6-8). When God does something like this, He does it with affirmative action, as we should demonstrate our love (John 14:15). In so doing, we show ourselves to be friends of God.

Those attending: I think all the members by this time know the drill. If you are coming back for the first time, or visiting with us, then note that there are TWO morning services and that an evening Bible Study and Wednesday night Bible Study are live-streamed on our YouTube channel. You are welcome at our worship services, just keep in mind the precautions that have been put in place. Also note that if you have symptoms of the virus you need to please leave to get that checked out. Everyone is welcome at church, but the wisdom of testing for pathogens when symptoms show and quarantine until the results are known is clearly taught in Leviticus 13-17. (Tim)

Graduation: Boxes for the graduates have been placed on the table out front.

Barnabas Boxes: As we come to church, don’t forget to check your mail boxes for cards, class materials for some of your children, and other goodies.

Benevolent Building: I am receiving inquiries and want you to know that we can now receive more stuff. However, any large items you have should probably be passed by Dean first.

Construction update: The Columns came in but could not be assembled as shipped. Other little touch up items and installations to be done.

Wednesday night: Brother Blackwell will be online for Wednesday night. We do not anticipate any problems with this, but the previous issue from last week has not been resolved. We did not have a technical problem, it is with Youtube accusations of supposed “violations” on our part. We did nothing wrong.

Tonight: The Bible story: showdown with Peter and Paul! (Galatians)

Our Gratitude

We want to let you know how much we appreciate those who came to help out on Saturday at the Pratts. They are up against a time table to get stuff moved out before the new owner moves stuff into the old house and barn. Your help let Richard and Daisy move things they could have never gotten out by themselves. Once again, thank you.
