

2019 HBYC Membership Renewal Form

It's time to renew your club membership for the 2019 year.

We are planning a major change in how we do the Membership Directory. In 2019 you can request to receive your directory as a PDF file, Hard Copy or Both. There is a place on the Renewal form to request what you want. Be sure to check one of the boxes so we know how many hard copies we need to print.

Advantages of PDF are:

- Can download to phone, tablet and computer
- Can print as many copies of the directory as you want or individual page (s) as desired.

We are closing renewals for inclusion in the initial directory at the January General Meeting. Only renewals received by that date will be included in the initial directory. All late renewals will be added to the **UPDATED MEMBERSHIP PDF**. We will continue to send a monthly PDF Directory Update for Late Renewals and New Members as we did this year.

REMEMBER: Member renewals received after the January General Meeting won't be in the Directory. The Hard Copy Directories will be available at the February General Meeting for those who requested them.

Here's what we'd like you to do:

- Download & print the attached form
- Clearly print your information
- Complete 100% of the first block

- Check the proper space for how you wish to receive your 2019 Membership Directory - no preference - your renewal isn't complete.
- **Only provide updates on the second block**
- Any additional change info should be on the back of the form
- Sign & date the form where indicated
- Bring the form along with your dues to the next General Meeting and give both to Nancy Colson (2018 Purser).
- If not attending any meetings before the January meeting, please mail before January 1st your completed form and check to:
