Mr. Jim Brooks, President
Topa Management Company
1800 Avenue of the Stars, Suite 1400
Los Angeles, California 90067

Dear Jim,

I am strongly in support of the Century City Farmer's Market being granted permission to remain at their current location of 1800 and 1900 Avenue of the Stars in Century City until the end of 2015, as it pertains to the terms of agreement with the Topa Management Company.

I have been a proud supporter of the Century City Farmer's Market since taking office in 2009, and I continue to support their mission of providing healthy food to our daily diets. I understand that Century City is undergoing many changes and the Farmer's Market has been an integral part of this community for several years and wishes to remain here.

In conclusion, I fully support the efforts of the Century City Farmer's Market to stay at 1800/1900 Ave. of the Stars as they seek a new location in Century City to support their mission of providing a source of healthy, local, and seasonal food to our community.

Sincerely,
