

SDSGA Lamb Buying Directory

Do you sell lamb directly to consumers? We want to get your name out there and promote your business. This year, SDSGA is going to start building a lamb buying directory to provide consumers a list of where they can purchase high-quality, local lamb. *Please remember, if you're selling lamb as meat (not sold live prior to slaughter) they must be butchered at a state or federally inspected plant.

Name: _____

Operation name: _____
