A Blessed Mess Soaps are made from plant and tree based oils and lye, then sweetened with essential oils, clays and spices.

Our Lotions are made of Coconut oil which is solid at 76 degrees and can be used in either solid or liquid state.

We use Almond, Coconut and Essential Oils in our products. Please seek medical advice before using these products if you have allergies or sensitivities. These products are intended to support general well-being. The information provided is for educational purposes only and is not intended as a diagnosis, treatment, cure or prescription of any kind. Soap is slippery when wet and may cause slippery surfaces.

## Who We Are

### About Us

Understanding that the skin is the largest organ of the body we DO NOT use synthetic dyes, oils, or fragrance oils of any kind. Our soaps are created with general well-being in mind and out of the desire to eliminate as many synthetic chemicals as possible in the lives of our own family.

## The feeling everybody wants...

Restore your confidence, renew your spirit, and revive your natural beauty. When you use A Blessed Mess, LLC Natural Products you can rest in the comfort of knowing they were inspired by Mother Nature. From God's hands to ours is the best! As often as possible we use products that are grown and harvested right here on our homestead. We use Bees Wax from our hives in our salves (while supplies last). We hand express some of the oils that we use from our gardens to ensure they're grown without herbicides and pesticides. Our products are 100% Natural (or as close as possible). A Blessed Mess, LLC does not use petroleum products, mineral oil, or preservatives. From our family to yours, 100% Homemade.

*"I've been using the Anti-Aging for a few weeks now and I love it. I not only use it as a face bar, but I also use it as a body bar and I've even used it on my hair! I have acne prone skin and this soap has helped it stay clearer than normal. My skin texture is smooth and my complexion is more even and less splotchy/red." S. Settle Owensboro, KY.*
