RULES AND REGULATIONS

PAGE 1

The speed limit is 7 mph. Strictly enforced!

Please pick up after your pets. All dogs must be kept on a leash. Do not tether your pets outside for long periods of time or while you are away. Do not leave your pets unattended. Excessive barking will not be tolerated. Absolutely no pit bulls or variations of pit bulls. No aggressive breeds!

Do not throw cigarette butts on the ground anywhere in this park, including the entrances or ditches. Dispose of them in some sort of container. Receptacles are provided outside of the bathrooms and the laundry.

Quiet hours are from 8:30PM until 7:00AM. Loud disturbing music, loud talking, revving of vehicles or motorcycles or other noise will not be allowed at any time. Remember to respect your neighbors. If you have a loud vehicle, start it and go. Do not let it idle outside.

Children must be supervised at all times.

Large gatherings at your site are not allowed. No partying or loud music. The playing of the washer's game is strictly prohibited due to numerous noise complaints that I have received. Cornhole is an acceptable alternative.

Campers older than 10 years are not allowed. FEMA type campers are not allowed. Campers are not to be tarped for any length of time. If your camper develops a leak, have it repaired immediately and remove the tarp.

Keep your site clean and clutter free. At the end of the day, your site must be clean with all trash/bottles/cans/food picked up. Any outside trash can should be secured, not be overflowing. Do not throw food on the ground. It attracts wild and stray animals into the park. Ashes and charcoal should be bagged up and thrown in the dumpster, not thrown on the ground.

Appliances are not allowed outside of your camper. BBQ grilles and lawn chairs are acceptable. Window AC units are not allowed. Keep your outside clutter to a minimum.

Do not park or drive in the grass at your site. No rugs in the grass. Nothing should be put in the grass without permission and that is not movable by the landscape crew. Anything left in the grass should be put on the concrete nightly so the landscape crew doesn't have to move it, if possible. You will be responsible for any damage to our equipment caused by objects placed into the ground (e.g.: awning tie downs).

Every vehicle in the park must be licensed and running or it will be removed from the park at renter's expense. There is a two vehicle maximum per site.

Dismantling of your camper/vehicles/boats/ATV's is strictly prohibited.

We are not responsible for lost or stolen items. It is your responsibility to lock your vehicle and secure your valuables, especially items left outside. Do not leave guns in unlocked vehicles.

We are not responsible for damage to your property, unless we caused the damage.

No smoking in any of our buildings. Receptacles are provided outside of the bathrooms and the laundry.
